An evening out with Roger Doris

Christine Scott, that lovely former Miss mark in Canada as a vocalist, is back once again in the Cockney Pride Pub at Howard Johnson's Airport Hotel.

She has been in this pub for one month stints many times, and many of those nights she has received standing ovations from the audiences.

As in her previous appearances at Howard Johnson's, she is backed by the Ken Stanley Trio.

Ken is a fine pianist and is also musical consultant for the Pig and Whistle Show on Ch. 9 CFTO.

Charlie Kent is the bass player of the trio and also handles the MC chores. He is one of the better male entertainers to have appeared in this area. He is a fine vocalist and has a great wit, that accounts for his great popularity.

Reg Green is the other member of the trio, and his fine drumming fits in well with the group. The authentic English

decor of the Cockney Pride, plus the entertainment spot and the next best thing to being over in Great Britain.

Kell Winzey leads his trio in Georges Italian Villa this week.

He had a great following as a single act when he played the guitar and sang.

With the addition of two other musicians, Kell provides fine music for dancing.

+++
There has been a change in entertainment this week in the Merry Mermaid Lounge at the Valhalla Inn.

The Dick Smith Trio has moved in to play for both diners and dancers, and those that might like to just relax and listen.

Curtain time is 8:15 p.m. with tickets going at \$2.00 for adults and \$1.00 for students. Anyone wishing ticket information may call 244-8856.

'Forty Carats' is a light look at some serious truths: that people, whatever their age, are people, and that the generation gap is manufactured. It deals with

The Yorke Brothers, Jim (left) and John, are currently entertaining patrons of the Tally-Ho Lounge and the Red Coach Dining Room in Howard Johnson's Airport Hotel. These two talented and entertaining young men have done very well in other clubs in this area, and as usual are going over well with Howard Johnson's patrons.
