

It is agreeable to your Excellency I will wait  
upon you about two o'clock, to deliver a  
Memorial I have prepared for a long standing  
Claim I have been greatly opposed in, and to pay  
my grateful, and sincere respects to your  
Excellency before my departure, which I  
propose shall be to Morrow morning—

I have the honor to be  
with every sentiment of respect  
your Excellency,

Most faithful and  
Obedient Servant

John Johnson
