The Secretary, Department of  
Indian Affairs,

Ottawa, Ont.

Dear Sir: No. 26, 043/43-26.

I am in receipt of your favor of the  
2nd <sup>inst.</sup> in connection with the lands in the Town-  
ship of Beauvoage and the inquiry of my client,  
Moise Primeau. Will you be good enough to let  
me know whether the same conditions prevail in  
the townships of Pedley and Commanda, in other  
words, whether the lands in these townships are  
in the market for sale only to returned soldiers.  
This information would be greatly appreciated.

Yours truly,

*J. A. Philson*
