STRATFORD, ONT. June 6<sup>th</sup> 1911

Hon. W. L. Mackenzie King  
Minister of Labor  
Ottawa

My dear King

I see by the Press that you have taken up your residence in Berlin for the holidays, and that you are going to hold meetings through the constituency. If you have not already matured your programme, or if what I have to suggest will not inconvenience you and is acceptable, I will be very glad indeed. It is this — as Wallerby and Millbank are on the borders of our constituencies, I would suggest joint meetings at these places. I have not yet outlined my programme but when doing so will make the Millbank meeting available to you.
