Hon. Arthur Meighen,  
Ottawa,  
Can.

Dear Sir:-

As already advised there is a large section of Presbyterians in this district who are strongly opposed to the proposed Church Union Bill. They are, however, favorable to the amendments adopted by the Private Bills Committee, as these would seem to be fair to all parties concerned. It is therefore hoped that Parliament will have these amendments adopted when the question comes up in the House.

Needless to say we have no opposition to offer to those who wish to form a union with any other denomination; we simply ask the right to continue in the church whose doctrines and system of government we are in hearty accord. We look to you to see that justice is done to all parties.

Yours sincerely,

*Th Humphries*

Secretary.
