Dear Dr. Anderson:

I have your letter of 27th.  
This Bill is now through the Senate and  
it is up to the Honourable Members of the  
House of Commons to deal therewith.

In answer to your enquiry  
I cannot do better than send you an article  
from the Financial Post dealing with the subject,  
and also copy of the speech I made in the Senate  
on Thursday last.

Please return the Financial Post  
article after perusal.

Yours very truly,

Arthur Meighen.

Dr. R. K. Anderson, M. P.,  
House of Commons,  
Ottawa, Ont.
