ONTARIO
LEGISLATIVE ASSEMBLY

Toronto, Ont.
Nov. 19th. 1932

Dear Mr. Meighen:-

The story in this pamphlet appears to me to be interesting and believe you would be interested in reading it.

I might say Mr. Basil Campbell is a personal friend of many years standing and has given the subject a great deal of thought.

I would appreciate having a chat with you, as to the merit of his article, after you have had an opportunity of reading it.

With kindest regards, I am,

Yours very truly,

Geo. Oakley
