TORONTO BOARD OF TRADE

Oct. 11, 38.

Personal.

Dear Mr. Meighen;-

Now that my small Yellow Knife Mining Syndicate, formed by two mining engineers here on my behalf, is working towards a successful close, I take the liberty of expressing a thought which has been in my mind for some time.

Your Mr. Stewart explained the operation of the Dominion Mining Share Company which apparently is a mining investment trust, being offered in England.

I have not mentioned this matter to you before, but I am most excellently connected in England -. Briefly as follows;-

My sister, a wealthy woman, married a brother of the Hon. Joseph Chamberlain - on death of Mr. Chamberlain she married a Mr. Alfred Cole, a governor of the Bank of England. Mr. Cole is also dead.
