Sir,

Referring to your letter of the 12th instant, and the communication therewith enclosed from Mr Agent Robertson, I beg to say that the Department approves of the proposed expenditure of \$180.00 in the purchase of two mowing machines and two horse rakes for the Nahaimo River Band of Indians.

In this connection I may say that when an Agent makes an application of this nature he should state the number of acres of land ~~which~~ is meadow.

Your obedient servant.

Secretary.
