Ottawa, October 1, 1914.

Sir,-

The Rev. L. H. Dugas, Principal of the Spanish River Industrial School, states that he forwarded to you applications for the admission of certain children from your agency to his school. You should see that all particulars, as called for by these applications, are properly filled in, that the band and band number of each child is correctly given, that the applications are signed by one of the parents, if living, and then forward these applications to the Department for its consideration.

You will be good enough to attend to this matter at once so that the admission of these children to the Spanish River Industrial School can be approved.

Your obedient servant

Assistant Deputy and Secretary
