Ottawa, February 12, 1917.

Sir,--

I beg to inform you that the Department is advised that Mrs. Howard has not made a success as teacher of the Goodfish Lake Day School. It is stated that she secures a very good attendance by giving the children a hot mid-day meal and also clothing, but that she is not competent to teach school subjects.

The Department would like to have a full report from you as soon as possible in regard to this school and the work being done by Mrs. Howard.

Your obedient servant,

Asst. Deputy and Secretary.
