AIR TRANSPORT BOARD
OTTAWA. Ontario.

Dear Sirs:

On August 17 last, there was an airplane accident in Haileybury, in which a plane of Northern Sky Trails, which was owned and operated by G.J. Quinlon, was involved.

May I be informed, please, as to whether or not the plane that was involved in the accident was licensed to do commercial flying, and if so, what was the maximum weight this plane was licensed to carry.

Yours very truly,

(signed) William C. Inch.
