

BUSINESS FOR CHRIST.

Many years ago, happening to be in South Wales, I made the acquaintance of a Welsh gentleman. He was then a landed proprietor, living in his own mansion. He had been, before, carrying on an extensive business in a large town. By the death of a relative, he had unexpectedly come into possession of this property. After considering whether he should retire from business, he made up his mind he should still continue to carry it on, though not for himself but for Christ. I could not help being struck with the gloominess of a holy mind which lighted up his countenance when he said: "I never knew before what real happiness was. Formerly I wrought as a master to earn a livelihood for myself, but now I am carrying on the same work as diligently as if for myself, and even more so; but it is now for Christ, and every half-penny of profits is handed over to the treasury of the Lord, and I feel that the smile of my Saviour rests upon me." I think that is an example worthy of being imitated.—Dr. Duff.

The Appetite for TOBACCO DESTROYED!

Leave off Chewing and Smoking the Poisonous Weed.

One box of ORTON'S PREPARATION is warranted to destroy the appetite for tobacco in any person, no matter how strong the habit may be. IF IT FAILS IN ANY CASE THE MONEY WILL BE RETURNED. It is almost impossible to break off from the use of tobacco by the mere exercise of the will. Something is needed to assist nature in overcoming a habit so firmly rooted; with the help of the Preparation there is not the least trouble. Hundreds have used it who are willing to bear witness to the fact that ORTON'S PREPARATION completely destroys the appetite for tobacco and leaves the person as free from any desire for it as before he commenced its use. It is perfectly safe and harmless in all cases. The Preparation acts directly on the same glands and secretions affected by tobacco, and through these upon the blood, thoroughly cleansing the poison of tobacco from the system, and thus allaying the unnatural cravings for tobacco.

No more hankering for Tobacco after using Orton's Preparation! Resulted in Warranted!

Beware of Counterfeits!

RECOMMENDATIONS.

The following are a few selected from the multitude of recommendations in our possession.

(From W. P. Heald, Esq., Bangor, Me.)

BA GOR, Me., April 24, 1868.

I hereby certify that I have used tobacco for thirty years past, and for the last ten years I have used two pounds per month. I have made attempts to leave off at several times, but always continued to hanker for it until I used Orton's Preparation, which has completely cured me of the appetite for tobacco. I would recommend all who are affected with this terrible habit to try the Preparation, which will certainly cure it in the directions as to be followed.

(From E. W. Adkins, Knoxville, Tenn.)

KNOXVILLE, Tenn., Aug. 5, 1867.

This is to certify that I had used tobacco to such an extent that my health had become greatly impaired, and my whole system deranged and broken down. In June, 1867, I purchased one box of Orton's Preparation, and after using it I found that I was completely cured. I have not had any hankering or desire for tobacco since using the Preparation. I believe it to be the best medicine ever used, and I would advise all who wish to quit the use of tobacco to try one box of Orton's Preparation.

(From John Morrill, Bangor, Me.)

BANGOR, Me., March 31, 1868.

This is to certify that I have used tobacco for eight years past, and have tried many times to leave it, but have suffered so much from a dizziness in my head, and gnawing at my stomach; that I have so given up the trial. A short time since a friend induced me to try Orton's Preparation, and I have done so, and am completely cured. I did not in the last hanker after tobacco, either to smoke or chew after I began to use the Preparation.

THE GREAT REMEDY FOR

HOME PURPOSES,

TAKEN INTERNALLY—Half a teaspoonful diluted in water, is a pleasant drink—stimulating and strengthening.

APPLIED EXTERNALLY—When there is pain of inflammation, affords instant ease.

STOPS PAIN quicker than morphine, chloroform, opium, or any other anodyne known to the world.

IF SUDDENLY SEIZED with pain, one teaspoonful diluted in water, will, in a few minutes, remove all uneasiness.

PERSONS SUBJECT to apoplexy, heart disease, headache, sudden fainting, should keep this Ready Relief near them; a teaspoonful in water, will, in three minutes, remove all difficulty.

RADWAY'S READY RELIEF

IN ITS SIMPLICITY AND GRANDEUR.

R. R. R.

We will first consider in its capacity as a specialty our far-famed Ready Relief, symbolized throughout the civilized world under the significant alliteration R. R. R. This remedy is happily possessed of properties that give immediate and positive proof of its excellence, that the most skeptical can feel its power in a few seconds, especially where the sufferer is the victim of excruciating pain. It is not a question with this remedy of time it takes to remove the perception or sensation of pain, or of the cost; for the moment it is applied to the part of the body where pain exists the patient is relieved. And if the pain is from an established disease, a cure will soon follow.

The Ready Relief is a vegetable remedy. It is pure, safe and innocuous. It is quicker in subduing pain and making the patient comfortable than Morphine, Chloroform, Ether, Opium, or any other agent. Its simplicity of application renders it a valuable household necessity, and its usefulness covers the entire range of family accidents that are liable to occur at any moment. The Ready Relief should be kept in every house, for if any injury or accident occurs to child or grown person, its use will prove of immediate service. It matters not what the difficulty may be. Burn, Scald, Fall, Bruise, Cut, Wound, Sprain, Strain, Pain, Rheumatism, Cough, Cold, Grip, and a hundred other annoyances that are constantly taking place in every family, this READY RELIEF will, in a few minutes, prove its value. If suddenly seized with sickness, and you have no faith in medicines but wish for a doctor the Ready Relief will suspend or check the progress of the disease at once, and in ninety-nine out of one hundred, cure the patient before the doctor arrives. It can never do harm, but will always do good.

ITS GRAND POWER IN THE PREVENTION AND CURE OF PESTILENTIAL AND CONTAGIOUS DISEASES.

It is a disease where immediate and absolute assistance and relief is required wherein this remedy proves its superiority, and we might say, supernatural Power in saving life, and promoting health.

In cases where Epidemic Disease, Pestilence, Small Pox, Fevers, &c., exist, this remedy proves the potent power of a disinfectant, neutralizer and curative. No one that uses the Ready Relief when Asiatic Cholera, Yellow Fever, Typhoid Fever, Small Pox, Diphtheria, &c., prevail in a community, will be seized with the disease. It is a cure when used, when used it, will be cured if the directions are followed. Simple as this remedy is, it possesses the elements of cure of the most violent, painful, and fatal disease that scourge the earth.

THE PROPERTIES OF THE READY RELIEF ARE COUNTER-IRRITANT, RUBEFACIENT, ANTI-SPASMODIC, DISINFECTANT, ANTI-SEPTIC, DIFFUSIVE STIMULANT, TONIC, NERVINE, ANODYNE, ANTI-ACID.

Its use in Asiatic Cholera, either as preventive or cure, is of more value to the world than all other discoveries in vogue.

It instantly secures rest, stops the Cramps and Spasms, and holds the constituents of the blood together, equalizing the circulation, and preventing the separation of the watery constituents from the other properties of the blood, and arrests vomiting and purging. In Yellow Fever it is likewise all potent and with the assistance of Radway's Pills, will protect those exposed from attacks, and cure them that may be seized.

In Fever and Ague, Typhoid, Bilious, Scarlet and other Fevers, its use will always insure a cure. In Rheumatism, Neuralgia, Gout, Tio Doloreux, Sore Throat, Diphtheria, Influenza, in all cases of inflammation, the Ready Relief, applied when required with the Resolvent and Elix, will surely effect a cure.

NEW IMPROVEMENT IN READY RELIEF.

New Corks, Large Bottles.

We have at last succeeded in getting a Cork that will prevent the evaporation of the Relief.

The substitution of the India Rubber Stopper will prevent the evaporation of the volatile properties of the Relief. It is important that the Relief be kept corked, to prevent the action of the atmosphere.

The bottles are much enlarged, so that persons receive much Ready Relief for 25 cents as they will get for \$1.00 of the Rain Killers and other 25 cent Remedies. Ask for Relief in new bottles—new style.

N. B.—Persons in acute districts should take a teaspoonful of Relief in water, on rising in the morning. This will protect you against Fever and Ague and all other Fevers.

WOODWARD'S IMPROVED CARBONIZER

—Look to your own interests, and try

WOODWARD'S IMPROVED CARBONIZER, which is

warranted to increase the light, decrease the

smoke and smell, and save 33 per cent. of the

cost to the consumer.

Read the following, which have been received among other certificates from those who have tried it:—

MONTREAL, August 31, 1867.

MY DEAR SIR,—I have much pleasure in certifying that I consider your Patent Gas Carbonizer a most valuable introduction, especially when the quality of the gas, and the high price charged for it, is considered. I have one now in my house put up by you, and find I have a much better and brighter light totally free from smoke or smell of gas since its introduction. In addition to this I burn much less gas, as I use one-foot burners instead of three feet, which I formerly used, and have more light now than I had with the large burners without the Carbonizer.—Very truly yours,
