## IMPORTANT NEW BOOKS

*Two Important New Works by  
J. H. Jowett, M.A., D.D.*

### The Transfigured Church

**Cloth Boards, Gilt Top, \$1.25**

"Like all the work of Dr. Jowett, it reaches a level of pulpit eloquence of which any congregation might well be proud. It is pre-eminently practical and picturesque. . . . Would make a most valued addition to any preacher's library."—DUNDEE ADVERTISER.

### The School of Calvary

**Tastefully Bound in Silk Grain, Cloth Boards, 50c. net**

"Dr. Jowett has caught the idea of this book from the words of a great mystic three hundred years ago, who wrote 'Calvary is the true academy of love.' A succession of eloquent and suggestive chapters show how the wealth and fulness of life come to those who have learnt in the school of Christ the spirit that found perfect expression in the Cross."

### Life and the Ideal

By J. BRIERLEY.  
Author of "Aspects of the Spiritual," etc.  
**Cloth, net, \$1.25**

"Mr. Brierley's books are always welcome, but it may be well asserted that this, his latest, has characteristics of brightness, perception, strength and crispness in argument and diction entirely his own. The book is a book to read, and each section is food for constant reference and continued thought."

—MANCHESTER COURIER.

### The Art of Exposition

By J. JEFES.  
Author of "The Art of Sermon Illustration,"  
"Practical Lay Preaching," etc.  
**Large Crown 8vo., Cloth Boards,  
Gilt Top, net, \$1.25**

"Few men are better qualified to say what a sermon ought to be. We do not know any better book to put into the hands of a probationer than this. . . . Will come as a sort of godsend to help many a helpless preacher. It is altogether an excellent book."—ABERDEEN FREE PRESS.
