

A COUCH—A BED—A WARDROBE

All In One Piece

And you never set eyes on a handsomer piece of furniture. Not only handsome, but durable, convenient and massive looking. If you bought the three pieces of furniture to which the Chatham Davenport Bed can be easily adapted, they would cost you over three times what the Chatham costs. Just glance at the illustrations.

The top one shows the Davenport as a couch. It is beautifully upholstered in maroon, black or dark green, the seat and back being supported by springs that afford perfect rest and comfort but do not sag. The woodwork is composed of solid oak, handsomely grained and varnished—a splendid piece of workmanship throughout.

CHATHAM DAVENPORT BED

The centre illustration shows the Chatham as a bed. Two metal catches release the back, which folds over in line with the seat, giving you a soft, comfortable bed measuring 4 ft. wide by 6 ft. long. The resiliency and "give" of the springs ensures peaceful, quiet sleep. Just think what a convenience this is if a friend of yours drops in over night or comes to stay with you on a holiday—you can turn the couch into a comfortable roomy bed within a few minutes.

The bottom illustration shows the seat of the Chatham raised. Underneath you can put the bed clothes, pillows, etc., or you can use it as a wardrobe for dresses, shirts, coats, trousers, hats, etc., without fear of them being crushed or wrinkled.

You can buy the Chatham Davenport Bed for just the same price as you would pay for an ordinary sofa. We will ship it direct to your home from our factory, or you can buy from our nearest dealer.
