

Let Hasslers do Your Bridge Repairing!

Let Hasslers take you over old bridges as smoothly as over the big iron structure just erected. Float up the approach and skim over the planks without jolt or jar.

Hassler Shock Absorbers bear the weight of the car. They take the kick out of the big jolts and give the leaf springs a chance to absorb what's left. Gently compress for the little jars that usually are passed on to the car and its occupants. Hassler Shock Absorbers also save tires, gasoline, prevent vibration and make your Ford easier to drive and as comfortable as a \$2,000 car. 300,000 Ford Owners recognize their economic necessity.

10-Day Free Trial Offer
Phone, write or call for FREE TRIAL BLANK and we will have a set of Hasslers put on your Ford without a cent of expense to you. Try them 10 days. Then, if you are willing to do without them, they will be taken off without charge. Don't ride without Hasslers simply because someone discourages you from trying them. Accept this offer and see for yourself. Over 300,000 sets in use. Do it now.

Proper boots ease the strain of a hard day's work—that's why every farmer should wear

PALMER-McLELLAN CHROME-OIL FARM BOOTS

Light in weight, easy on the feet, wearing like iron, these boots meet the needs of the farmer better than any other boot on the market. Made in the general style of a moccasin, from selected hides, tanned by our FAMOUS CHROME-OIL PROCESS. The leather used in them is soft and pliable and gives with the movements of the foot. Built on right and left lasts, with counters and soles, they are neat and give utmost support to the feet. They are as nearly waterproof, too, as boots can be made, and the Chrome-Oil Process of tanning keeps the leather from shrivelling up, hardening or cracking.

They'll give you greater comfort, satisfaction and wear for your money than any other boot made.

The issue—\$2,500,000—is secured by a mortgage on assets, valued at \$15,000,000, of a large Canadian pulp and paper company. Present net earnings are more than four times the interest requirements. A new mill, now nearly completed, will increase the company's earnings.

Investors in this Mortgage Debenture Stock share in the surplus earnings of the company with the development of business. Your savings could not be more profitably invested with safety, so that you cannot do better than write at once for further information. Address
