Colic may kill your horse or cow within one hour, unless you have this remedy for instant use. Why risk the loss of a valuable animal when you can have this remedy at hand? Cost per bottle containing two doses only 75 cents. We refund your money if it fails. Write the

NEW IMPORTATION OF SHIRES.

Porter Bros., of Appleby, Ont., a short distance from Burlington Junction Station, G. T. R., are again to the front with a splendid importation of Shire stallions and fillies landed a few days ago. As importers and breeders of Shire horses, Shorthorn cattle and Hampshire swine, Porter Bros. are rapidly taking their place among the leading firms of stockmen in Ontario. Just now, on their splendidly-equipped farm, Maple Leaf, are an exceptionally choice lot of the above several breeds, the Shires being particularly strong. At the head of the stud is the noted show and quality horse, Baron Kitchener 356, gray in color. He is a rare representative of the breed for smoothness, style, quality and action, and has to his credit as a sire very many prizewinners, including champions. Another very choice stallion is the gray four-year-old, Proportion (imp.), by the famous Nailstone Ragjacket, dam Tuttlebrook Fuchsia (imp.). This is a straight Canadian type of Shire, big, smooth, clean, flat bone, big feet, and a grand mover. He has to his credit as winnings, first at Toronto and London, and several seconds. His dam is also in the stud, a mare of choice quality that has championship honors to her credit. She is now suckling a rare nice filly foal, by Baron Kitchener. Another stallion is the brown yearling, Sir Dewey 766, by Baron Kitchener, and out of the great show mare, Rose 145. Last year this colt was third at Toronto and first at London. Prominent among the many good females is the last year's Guelph champion, Kitchener's Topsy 371, a gray three-year-old, by Baron Kitchener, dam Regent's Loftly (imp.). She is a superb mare, very large, and has the quality and action of a Hackney. Among the new comers is the bay two-year-old, Tuttlebrook Sunflower (imp.) 685, by Maze-moor Harold, a grandson of the renowned Prince Harold. Another two-year-old is Tuttlebrook Ladylike (imp.) 695, by The Black King. The yearling fillies, of which there are three new comers, are Tuttlebrook Flirt (imp.) 684, a black, by Finstall Landmaster; Wilsford Sophio (imp.) 693, by Lovehurst Squire, and Tuttlebrook Bloom (imp.) 694, by The Black King. These are a big, drafty lot, of the kind popular in this country. Rose 145, by Imp. Pride of Hatfield, has a right choice filly foal by Baron Kitchener, and Viola 185, by Pride of Morning, has a horse foal by the same sire. Any of these are for sale. Look them up at Toronto Exhibition.

The Shorthorns are up to their usual high standard of excellence, of such fashionable tribes as the Princess Royal, Cruickshank Lovely, Fancy and Waterloo Princess, at the head of which is the immense big, thick bull, Heather King (imp.), by Lovat's Heir, dam Jilt 30th, by Count St. Clair. This is exceptionally choice breeding all around. Several young bulls are coming on for next season's use, which will be for sale. The Hampshire hogs are essentially high-class, the stock boar being the three-times Toronto champion, Earl Grey 3211, a hog of remarkable smoothness, and very even. The breeding sows are also high-class, among them being the Toronto first-prize sow of last year, which has a litter by the stock boar three months of age. Both sexes are for sale at present.
