Songs about mothers are numerous. What is home without a mother? Mother's Hair is Turning Gray. Rock me to sleep, Mother, and a host of others. Some one once suggested that if the young lady who warbled at the piano would occasionally sing Take a Chair and Rest, M'other, it would be an addition to the song literature.

Consumption Cured. SINCE 1870 Dr. Sherar has each year sent from his office the means of relief and cure to thousands afflicted with disease. The correspondence necessitated by this work becoming too heavy for him, I came to his aid. He now feels constrained to relinquish it entirely, and has placed in my hands the formula of that simple vegetable remedy discovered by an East India missionary, and found so effective for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all Throat and Lung Diseases; also a positive and radical cure for Nervous Debility and all Nervous Complaints. Its remarkable curative powers have been proven in many thousand cases, and, actuated by the desire to relieve suffering humanity, I gladly assume the duty of making it known to others. Address me with stamp, naming this paper, and I will mail you, free of charge, the recipe of this wonderful remedy with full directions for its preparation and use, printed in German, French, and English. A. Noyes, 40 Parkers Block, Rochester, N. Y. 196-13, w-cov
