

WARNING!

SODA-CRYSTALS (WASHING SODA)

Foreign Soda Crystals—and some of English manufacture—are being extensively offered for sale in this country which are grossly adulterated with Glauber-Salts (Sulphate of Soda), a cheap product which is not only entirely useless for washing purposes, but is even likely to injure the fabrics with which it comes in contact. The Adulterated Soda-Crystals, although nominally lower in price than BRUNNER MOND'S PURE SODA CRYSTALS, are in reality much dearer owing to the large quantity of useless and injurious matter which they contain.

WILSON WAYS

3. PRICES PROPORTIONATE

It would be a hard knock at our "purity" and "imitable" arguments if we took advantage of the secrecy of our process and put a monopoly price on the product.

GOLDEN RUSSET VINEGAR

price is just as honest as **GOLDEN RUSSET VINEGAR** process. Compared with some other vinegars it should be three times the present price. Skilled labor is necessary in the manufacture of **GOLDEN RUSSET VINEGAR**; also expensive machinery, expensive fruit. Yet you can put **GOLDEN RUSSET VINEGAR** in your store at a fair price, sell it with profit to yourself and unlimited satisfaction to your customers.
