INCORPORATED 1891

## SEASON 1912

THE company has been in operation for 21 years; its record is a remarkably good one. For less than 90 (89.2-7) per cent of its premium notes our company has paid an average of \$5.32 per acre on its losses during 21 years of its operations. The total amount paid for losses being \$240,952.85, just bordering on the quarter million mark. For the past year, 1911, we were enabled to return 40 per cent of the premium notes, being only 15 cents per acre for insurance.

Joint Stock Companies never return any premiums to Insurers. No other company pays \$6.00 an acre indemnity for loss. The cost cannot exceed twenty-five cents per acre.

Strictly a Farmers' Company, managed by Farmers only, and still "THE OLD RELIABLE!"
