LICENSED AND BONDED

Each of the grain companies whose announcement appears on this page is licensed by the Canada Grain Commission to handle consignments of grain from farmers on commission. Each company is also bonded in accordance with the terms of the Canada Grain Act, to a sufficient amount which in the opinion of the Canada Grain Commission will ensure the full and prompt payment for all grain shipped to them by farmers. No grain dealers' advertisements are published in The Guide except those licensed and bonded according to the above provisions.

Are YOU Missing Something that Millions Enjoy?

Why do you suppose the majority of men on this continent who can afford the money for shaving satisfaction, are using the Gillette Safety Razor?

Why is the Gillette a treasured item of equipment in the kit of practically every officer and of tens of thousands of men in the Canadian Overseas Forces?

Only one reason could possibly hold good with so many level-headed men. It's this—the Gillette gives a shave, day in and day out, that no other razor in the world has ever equalled—and does it handily in five minutes or less. That is why over a million more men everywhere are adopting the Gillette every year.

YOU would appreciate this as much as any other man! The saving of time—the independence of barber shops—the resulting economy—and above all the matchless comfort of the clean, quick Gillette shave—these are real, personal advantages which you must not longer miss.

The Gillette Safety Razor is a leading specialty with Hardware, Drug and Jewelry Dealers everywhere. "Bulldogs", "Aristocrats" and Standard Sets cost \$5—Pocket Editions \$5 to \$6.—Combination Sets \$6.50 up.
