"THE BLOOD IS THE LIFE,"

A SCRIPTURE AS WELL AS SCIENTIFIC TRUTH.

DR. HALSEY'S FOREST WINE.

FROM its pure gentle and quiet works, this Wine is fast becoming the favorite medicine among every class of people. Known as the most efficient remedy for general Debility, Nervous Affections, Consumptive Decline, Coughs, Colds, Asthma, Kidneys, Heart, Stomach, Liver, and Bowels, and all diseases arising from impure state of the Blood and Habit of the System, and universally approved of by the Medical Faculty here mentioned and adopted the use of it.

Dr. L. A. STANLY, a celebrated Physician, in a letter to the Principal, New Jersey, dated November 16, 1849, declares that in all his experience he has never seen anything to compare with the Forest Wine and Pills, as the remedy most to be relied on in cases of consumption, debility, and all diseases arising from impure blood, within a short time.

Another member of the Medical Faculty of New York, who have obtained the great results of the Forest Wine, pronounced it in numerous complaints, will be found the names of the celebrated Dr. M. T. Gladstone, Dr. S. E. Mott, Dr. L. Cheeseman, Dr. Gallup, Dr. William Brown, Dr. Martin, Dr. J. M. Morgan, and others.

TESTIMONY of Johnson Burke, a highly respectable citizen of Waverly Place, New York:—

Dr. G. W. HALSEY:—DEAR SIR,—I esteem the Forest Wine as the King of Medicines. It has done for me in five weeks what three Physicians failed to do in as many years. In 1849, I became a victim of the Heart Disease, and Nervous affections, which have been growing on me ever since, until I procured your Forest Wine and Pills, after which I expended several hundred dollars for medical assistance. During the last two years I was obliged to keep my house nearly all the time, and give up business in consequence of my ill health. I had nearly lost all hope of recovery, my complaint was of that severe nature which neither advice nor medicine could relieve. I was induced to give it a trial, and was perfectly astonished to find it had a different person, and was able to resume business again, entirely cured, by taking five bottles. For the benefit of those afflicted with similar complaints you are at liberty to publish this. Yours, &c.,

JOHNSON BURKE, Waverly Place, N. Y.

HERSTFEAD, Dec. 1, 1847.

Dr. HALSEY:—A bottle of your Forest Wine and 5 s of Pills, which I procured of Mr. James Carr, (your Agent for this place,) has done wonders for me. I had been in a state of decline for more than a year, afflicted with a deadly cough, pain in the breast, general debility, and loss of appetite. I became almost a skeleton, and was unable to leave my room for more than two months; my friends told me I had the Consumption, and thought I was of the same opinion. I could not obtain any permanent relief from any medicine I had taken, so my physician, until your Wine and Pills were procured. The first dose of the Pills brought up from my stomach much phlegm and greenish matter, and my stools were perfectly black. I then commenced taking the Forest Wine three times a day, my appetite began to return immediately, my cough left me, and in less than three weeks I was a well man. I have since been able to attend to business, and have every confidence in recommending your Forest Wine and Pills as the best medicine in the world for the cure of Consumption, Coughs, Colds, Asthma, and all diseases of the Chest, Lungs, and Throat.

Yours respectfully,

MARTIN CALDWELL.

The following Certificate, voluntarily given by Mr. Thomas Wheeler, a respectable and well-known citizen of Colonie, New York, is an evidence which must remove all doubts of the great efficacy of the Forest Wine in GENERAL DEBILITY, NEURALGIA, AFFECTIONS OF THE SPINE AND KIDNEYS.—

This is to certify, that I have used Dr. Halsey's Forest Wine to my family and in the most entire success. My wife has been afflicted with Neuralgia, Affections of the Spine and Kidneys, and general Debility. She found speedy relief, and restored her health, by the use of the Forest Wine.

From my own knowledge of this excellent medicine, I confidently recommend it for the good of others who may be suffering with the above complaints. It is the best medicine with which I am acquainted, and those who are afflicted with the above, or any similar disease, may safely rely on its virtues.

Colonie, March 6, 1850. E. G. MUSSET.

More Testimony from Chester.

Dr. G. W. HALSEY:—DEAR SIR,—My oldest son was reduced to the state of Debility. My family Physician advised her to take your Forest Wine. Accordingly I went to Mr. Terry's, your Agent for this Town, and procured a bottle of it, which restored her in a very short time to perfect health.

HENRY DONALDSON.

Ochoes, April 13, 1850.

The testimony of upwards of three hundred individuals, some of whom were afflicted with diseases of the most dangerous character, may be seen at Dr. Halsey's principal Office, the following are some of them who can be seen by calling at the same office:

Mr. Asa S. Smith, 167, Prince Street, Office in Wall Street, was long severely afflicted with a disease of the kidneys and bladder. The best medical skill answered no purpose. He tried the Forest Wine, and it met the case, and he was completely cured by the use of four bottles and a box of the Pills.

Mr. Noah Bell, Merchant, in Pearl Street, was for four years a martyr to acute Rheumatic Pains. He found relief the use of the Forest Wine and Pills, and recommend by taking six bottles less than a box of the Pills.

The remarkable efficacy of the Forest Wine is very striking in the case of the Hon. S. L. Brown, of Virginia, who was cured in a few hours of a severe attack of Bilious Diarrhœa, and a complication of bodily ailments. Mr. Brown, of this gentleman in the New York Herald, he was so weak and nervous, from the effects of his illness, that he could not write, and required assistance to enable him to make his signature. The Wine and Pills did for, and he recovered by the aid of two dose of a bottle of the Wine and a proper dose of the Pills.
