BIG CLAIMS

By Special Wire to the Courier.

London, June 3.—English insurance companies have already paid claims amounting to \$500,000 in connection with the loss of life by the sinking of the Lusitania. This represents the sum payable on about 350 lives and many more claims are expected to be filed. The American claims will probably reach twice this amount, according to the estimates here, as some of the American passengers were heavily insured. No English company has so far confirmed the report that Alfred Gwynne Vanderbilt carried heavy insurance on his life.

QUIET SESSION OF COUNTY COUNCILLORS

Much Routine Business Transacted—Little Stir in Meeting.

The treasurer was instructed to pay these officials their respective salaries.

The communication from the Clerk of the Assize, enclosing a copy of the presentation of the Grand Jury at the Spring Assize, was received and filed. The Clerk is instructed to forward copies of the presentation to the various bodies affected by the recommendations mentioned.

The communication from the London City Council, enclosing a copy of the resolution asking the Ontario Government to amend the Colonization Act to encourage the settlement by immigrants of the unsettled parts of Ontario, was received and filed.

The communication from the Clerk of the County of Brant, enclosing a copy of the memorial passed by that council asking that foreign automobile fees be reduced one half where the same privilege is accorded residents of the province, was also received and the Warden authorized to sign a similar memorial on behalf of the council.

The communication from the secretary of the Ontario Provincial Winter Fair to the County of Brant prizes at the exhibition was filed, as was that of the secretary of the Women's Hospital Aid of the General Hospital, and of the honorary secretary of the hospital.

It was moved by Thomas Evans that the council request the Prov-

cial legislature to appoint a coroner for the Town of Paris, and if agreeable to the government to appoint Dr. Gould of Paris to that position. Carried.

TEN PER CENT TAX

By Special Wire to the Courier.

London, June 3.—According to German newspapers received here Bremen has taken the lead among the German cities in a plan for a tax on war profits, to be levied on firms or individuals in receipt of an income of more than \$8,000 annually. If the income of such firms or individuals in 1914 proves to be larger than in the previous year this increase will be taxed at the rate of ten per cent.

HAD BAD ACCIDENT.

By Special Wire to the Courier.

Berlin, via London, June 3.—Prince August William of Hohenzollern, fourth son of Emperor William, who was badly injured in an automobile accident on the western battle front during the winter, has so far recovered that he was able to start to-day to rejoin the staff of the army to which he is attached. The prince, however, is still suffering from the consequences of the accident, and it will be some time before he has fully recovered.

CORRESPONDENTS NOTE.

Country correspondents of the Courier do not require to affix a war stamp to their copy when mailing it to this office, as the letters if superscribed, "Printers' Copy" and the flap turned in and not sealed are subject to the usual one cent rate.
