HIGH SCHOOL
ATHENS, ONT.

A. H. S. COMMENCEMENT

The annual Commencement of the Athens High School has grown to be regarded as the chief social as well as the chief educational event of the year in Athens, and its occurrence is always anticipated with pleased interest by many people throughout the country as well as in the village.

The evening of Wednesday, Nov. 16, has been fixed upon as the date, and the programme is now being circulated. Besides the bill-of-fare for the evening, the booklet contains a record of graduates of other years, the reading of which awakens many pleasant recollections in the minds of those who are familiar with the student life of the village. It is surprising to note the number who have achieved distinction in all the higher walks of life.

A record, too, is given (as complete as possible) of graduates who are now attending the various colleges and universities.

But, to the majority, it is the graduating class of '04 that possesses the chief interest. It is most important essential, the record for this year is highly pleasing to all friends of the school.

The programme for Wednesday evening, apart from the interest that attaches to the graduation exercises, promises to be both entertaining and instructive. The principal event of the evening will be an address by the Rev. Dr. Cody of Wycliff College on the subject of "Our National Heritage." The medalists of the year are Miss Anna Stevens, Miss Maude Taylor, Miss Jessie E. Taplin, and Mr. Wm. J. McAndrew, and the medals are to be presented by resident ministers. Instrumental music is to be furnished by Messrs. W. H. Cousins of Smith's Falls and Sim Manhardt, and vocal music by the A.H.S. Glee Club and Mr. Thomson of Brockville. Miss Jessie Taplin and Mr. W. G. Craddock are to be the accompanists. Mr. A. W. Johnston will preside.

The admission fee has been fixed at 35c for adults and 25c for children. There will be no reserved seats. Doors open at 7.30; programme at 8.

THE ELECTIONS

The return of Sir Wilfrid Laurier and the Liberal party to power on Thursday last with an increased majority occasioned, apparently, little wild jubilation or expression of keen disappointment. The Conservatives took their defeat philosophically and settled down to business next day with scarcely a murmur. Elsewhere in this issue we give the result throughout the Dominion.

In this riding the Liberals were confident of victory, and the result showed that their trust was not misplaced. The result in the different municipalities was as follows:

F. Yonge & Escott.....	97	31
R. Yonge & Escott.....	35	104
Elizabethtown.....	213	
	345	185

Total majority for D-rbyshire, 210.

Polling was conducted very quietly in Athens and the same absence of excitement marked the receipt of the returns by the voters. A drum and tin-horn brigade of boys, however, paraded the street and late in the evening started a bonfire. This the Chief extinguished. The boys then piled leaves on Main street opposite Mr. Thompson's residence, soaked them with coal oil, applied a match, and at once had a fire that no one could approach. A spirit of lawlessness seemed to be inspired by the fire. A raid was made on adjacent yards for combustibles, and they took everything that would burn, without regard to its value. A protest being entered, the boys abandoned this fire and started another opposite the Central Block. This finished their celebration, and by 1 a. m. nearly all had left for their homes.
