

My Hair Ran Away

Don't have a falling out with your hair. It might leave you! Then what? That would mean thin, scraggly, uneven, rough hair. Keep your hair at home! Fasten it tightly to your scalp! You can easily do it with Ayer's Hair Vigor. It is something more than a simple hair dressing. It is a hair medicine, a hair tonic, a hair food.

Toledo Entertainment

Rev. W. Henderson, Frankville, gave his entertainment to a good audience in the town hall here on his travels in Bible Lands. The graphic address was illustrated with many veritable articles and a chart of the great pyramid on the Nile, and by Jewish and Turkish costumes on three ladies and three gentlemen, with explanations of ancient and modern life—fresh as a sea-breeze and instructive.

Misses Mary and Helen Brown of Addison sang and recited several times in a way that delighted the audience.

"A Tug of War"

One of those delightful and interesting pictures that brings sunshine to one's home is entitled "A Tug of War," and has been selected by the Family Herald and Weekly Star of Montreal as their annual gift to subscribers this season. It is a beautiful gravure, 22x 29 inches, on the best plate paper. It certainly is a gem worthy of the best place on the walls of any home. When one sees the picture and learns that it is given absolutely free to all who subscribe to that great family weekly there is no longer cause to wonder why the Family Herald Weekly Star has five times the number of readers of any other weekly in the country. Any person remitting one dollar for one year's subscription to the Family Herald and Weekly Star of Montreal will get the picture free, and from the demand we learn you cannot get your dollar in too quickly. "The Tug of War" is a high class production and would command a high price if sold in the stores, but it is reserved for Family Herald subscribers.

Let Fire Judge Between Us!

Your judgement can tell and do a lot, but it can't fry potatoes. Your judgement can tell who has the best looking and best \$10.00 fitting Suits and Overcoats in town; but it can't tell positively whether the suit is cotton or wool. Fire can do that. We claim we'll save 965 days in the year the only all wool \$10.00 Suits and Overcoats in Brockville, and we ask fire to decide whether that is true or not. Sir! Madam! Will you employ the fire test; will you please find out for yourself, who is bluffing and who is not? Will you make up your mind right now that you will once and for all find out for yourself to whom you should pay your money in purchasing a \$10.00 Suit or Overcoat?

HOW TO APPLY THE FIRE TEST.

Go to any store that makes most noise about the suits they are selling just now for \$10.00, get a thread out of the trousers, apply a burning match, if after the thread is consumed you have ashes left, the suit is cotton; if you have a cinder the suit is wool, then call on us, go through the same process, and don't be surprised to find ours all wool and the only \$10.00 Suits and Overcoats in town that are all wool—no matter what big reductions are promised, the bigger the promise of reduction the bigger the shame the fire test will reveal.

We are heartily glad that fire will tell the truth, it can't be false, it is our hope.

We must win, if people are willing to employ—fire—fire! fire! We will gladly stand by your decision.

SIR! MADAM! ARE YOU WILLING TO ALLOW AN INFALLIBLE AGENT (fire) to tell you where you should purchase your clothing? Any child can tell which is cotton or wool by the fire test. WILL YOU JOIN THE FIRE BRIGADE if you are in doubt as to where your money would be best spent, we urge you to employ this faithful servant—fire.

Yours for a Fire Test
