Distinctive Models in Artistic Fall Millinery Creations

September is here, and the beginning of a new season. Dame Fashion is displaying her advanced styles in Fall and Winter Millinery and Ready-to-Wear.

A wonderful assortment of Hats are on display in our Showroom, Hats possessing that indefinable something which distinguishes them from the ordinary. Hats which are smart, but in an exquisite refined way—inexpensive, yet made of the best of fabrics and the most dainty trimmings. Charming effectiveness is characterized in each creation, many being New York pattern models. Practically every type of Hat is in our showing, yet every one is something surpassing those of previous seasons. The most exaggerated creations examined in detail show unusual beauty and intricacy of line, yet the extreme simplicity of the total effect is extremely surprising.

We have an exceptional showing of cleverly designed tailored and semi-dress Hats, in corded silks, velvet and fancy colored felts, with pretty braid trimming, pretty patent effects, and smart buckle creations.

We will be pleased to show you our First Fall Display, which is now open in pleasing variety.

Autumn Ushers in the Early Fall Suit Display

The Fall and Winter Suit Styles are wonderfully neat and exceptionally becoming.

Our Suits are made especially for us by our own guaranteed tailors, and they have shown a decided effort, not only to charm and please, but have obtained the best of serges and tweeds on the market—materials the quality of which cannot be bought today.

The Coat Styles this season are very smart, being made in slightly longer lines and also in a style which can be buttoned up to the neck, with the stylish lace collar finishing. All modes are belted and slightly full.

Military braid in the different widths is the predominating trimming, especially on the serges, although the buttons are still favored.

The Donegal Tweed Suits are favored very strongly this season. A Tweed Suit is always stylish, and the new Fall models surpass anything shown before. In shades of grey, brown, green and other color combinations our showing of Tweeds is exclusive and up-to-date.

Prices in Suits range from \$29.75 to \$59.75
