THE GREATEST BANKS.

Toronto Saturday Night: That oftrepeated, but most inaccurate statement that the Bank of Montreal is either the second or third largest banking institution in the world, has been finally and officially set at rest by Mr. H. M. P. Eckhardt, himself a banker and a well-informed one. By means of a great deal of hard work, Mr. Eckhardt has compiled a statement showing just where the principal banks of the world stand in matters of capital, and reserve and the states was larger from Great British (North America there came the second largest number. 6,501. garding the relations existing between

London, Jan. 15.—In an interview regarding the relations existing between Canada and the United States, Sir Frederick Borden said: "On political questions wa want to be good neighbors and friends, but on trade questions the United States has taken a line of policy, presumably from assional motives, which eveludes us; We accept the situation and will pursue our own line of policy. Any concession or reopening of the trade question must come from the United States."

Sir Frederick also stated: "I had serious conferences with Mr. Haldane and members of the army council and also General Hood, of Australia, with reference to the proposed imperial general staff. An advance is being made and steps are being taken to make regulations and formulate plans for what was at first only a general iden. while in matters of capital and reserve the Old Lady of Threadmeedle street is first. Two banks in the United States exceed the Bank of Montreal as regards capital and reserve, and also total assets. These are the National City Bank and the National Bank of Commerce, both of New York.

Mr. Eckhardt's list is a long one, so I will content myself with enumerating the first ten in the world as regards capital and reserve, though they do not accord with the list when the question of total assets is taken into consideration. It is probably, however, a fairer comparison as some of the banks in the Old World crowd their asset column with items which would not come under that heading in Canada. SECT AT LAW.

ASTOUNDING EVIDENCE GIVEN IN AN ASSIZE COURT TRIAL.

Altona Laborer Threatened With Excommunication Unless He With-drew Claim for His Child's Seduction by a Brother in the Faith.

The various elders who apoke with him, so influenced Lehman that he went to a Stouffville lawyer in company with Kester, Elder Hoover and Bishop Wideman, of the Mentonite Church, where he signed a document releasing Kester from the judgment. Since then Lehman had regretted signing the baper and appealed to the court to set aside the document, alleging that it was the baper and appealed to the court to set aside the document, alleging that it was a promoured by the fraud, misrepresentation of this class cannot feel the same and procured by the fraud, misrepresentation of a lashing, and where they can only be made to feel through their skin

part in the interview which led up to the signing of the release, was cross-examined by Mr. Godfrey, as follows: "It is a serious rule of your church that a member should not go to law?"

"Yes, sir."
"And you and the Bishop wanted him to give up the suit, and the damages, and to stay in the church?"

If he continued on in this course—this wick-ed course—he would lose his soul?"

"No,"
"Don't you think he should have had it?"
"Mr. Heover studied a moment. "Not in connection with the church," he replied. "That means—"began Mr. Godfrey.
"The church is supreme?" said Mr. Justice

Gave Wrong Verdict

GED FARMER HAS NARROW ESCAPE FROM PREMATURE DEATH.

ESCAPE FROM PREMATURE
DEATH.

One of the most ancient families of the British nobility has for its motto "Dum Spiro Spero" ("While I breathe I hope"); and surely this might well be taken as the battle cry of every sufferer from Lung disease in this fair Canada of ours.

That many lives have been allowed to sink into the grave by default, especially in cases of Lung trouble, is apparent from the constant testimony of those who after having received such a verdict, by the use of PSYCHINE have been reatored to complete health and vigor, and who have proved that the doctor's judgment was erroneous, by living to a good and robust old-age.

Such a case is that of Mr. John Radford, of Ruskview, Co. Dufferin, Ont., who some years ago had reached such a low state of health that his medical attendant assured him that his Lungs were so seriously affected that it was absolutely useless for him to take any more medicine, and in fact that nothing more could be done for him. It was at this point that Mr. Radford started to use PSYCHINE. In a very short time his health began to improve, the Lung trouble disappeared, and he was soon able to go out to work on the farm again.

On August 24th of this year Mr. Radford writes: "If it had not been for your PSYCHINE, I would have been in my grave years ago. I have had no need of any more medicine since, as I have enjoyed perfect health I am now \$2 years of age, and feel quite smart. I recommend PSYCHINE to all sufferers from Lung disease as SURE CURE."

"Such evidence as the above cannot be gainsaid. It is genuine, convincing, and conclusive; but why not get a sample bottle and prove its merits for yourself?

PSYCHINE is an infallible remedy for all disorders of Throat, Lungs and Stamach. Sold by all drugstists and dealers at 50c. and \$1. Prepared only by Dr. T. A. Slocum, Limited, of Toronto.

LASH FOR WIFE-BEATERS. Grand Jury Would Also Prohibit Mixed Marriages.

Toronto Jan. 15.—The lash for wife-beater as well as imprisonment, and prohibition o mixed marriages between white and colored vocated by the Grand Jury of the Crimina

changed so that the lash be added to the period of imprisonment to try and stamp out the ever-increasing evil.

"Also, that a law be passed prohibiting or making illegal mixed marriages, that is, white with black or white with Chinese."

Mr. Justice Magee of the clause in the report touching on mixed marriages said:

"There are many peoples coming to our lands from southern and Oriental countries who are creating serious problems. They do not appear to be coming as permanent cli-lzens, but rather as sojourners. They have not the welfare of the country at heart. It is said, however, that we are getting for the most part, the better class of Chinese and Japanese, so that we do not get a true idea of what these people are on the average. However, it is true that mixed marriages have proved on the whole, exceedingly unhappy, and the recommendation is well made."

HEALS THROAT AND LUNGS.

When Catarrhozone is inhaled it spreads through the breathing organs, carrying healing to the sore spots. An irritable throat is cured in five minutes, bronchitis it soothes from the first breath. Nothing so certain for catarrh and colds. Catarrhozone brings new health to your throat, nose and lungs. Very pleasant and harnless. "I caught a severe cold which developed into catarrh, and finally settled on my lungs," writes Mr. A. Northrup, of Bedford. Catarrhozone relieved quickly and cured me. I recommend Catarrhozone highly." The complete outfit gives two months' treatment and is guaranteed to cure; price one dollar; sample size twenty-five cents.
