HOSPITAL REMEDIES.

What are they? The growth of intelligence in medical matters has given rise to a demand for a class of genuine, reliable medicine. The opportunity of the ignorant quack, who grew rich getting everything out of a single bottle has passed. To supply satisfactorily this demand a certain class of medicines has been created. They are the favorite prescriptions of the most famous medical practitioners of the day, gathered from the hospitals of London, Paris, Berlin and Vienna. Prescriptions which cost the patients of these hospitals from \$25 to \$100 are here offered prepared and ready for use at the nominal price of one dollar each. Not one of them is cure all; each one has only one effect of curing a single disease, and each one keeps its contract. Sufferers from Catarrh, Dissected Lungs, Bronchitis, Asthma, Consumption, Rheumatism, Dyspepsia, Liver and Kidney Complaints, Fever and Ague, Neuralgia, Female Weakness, Leucorrhoea, Nervous Debility, should send stamp for descriptive catalogue to Hospital Remedy Co., 303 West King St., Toronto, Canada. If your druggist does not keep them, remedies remit price and we will send direct.
