**CONSUMPTION  
CAN BE CURED**

IS A FACT ATTESTED BY THE HIGHEST MEDICAL  
AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of Scott's  
Emulsion of Cod Liver Oil with Hypophosphites of Lime and Soda  
will accomplish this result. The emulsion is a most valuable  
specific, in a form perfectly palatable, and acceptable to the most delicate stomach, and  
we make the unqualified statement that Scott's Emulsion is being used with better results  
and endorsed and prescribed by more physicians and the disease resulting from  
it, such as Chronic Coughs, Bronchitis, Scrofula, Anemia, General Debility and the  
Wasting Disorders of Children, than any other remedy known to medical science. The rapidity  
with which patients improve on this food medicine diet is truly marvellous.

See What Physicians and the People Say About It.

Messrs. Scott & Bowne: 66 West Thirty-sixth Street, New York, September, 1876.  
Gentlemen:—I have frequently prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites during  
the last year, and regard it as a valuable preparation in scrofulous and consumptive cases, palatable and  
efficacious. C. C. LOCKWOOD, M. D.

Messrs. Scott & Bowne:—Gentlemen,—Within the last year I have used in my own family, and in my  
private practice prescribed very extensively Scott's Emulsion of Cod Liver Oil with Hypophosphites and  
found it a most valuable preparation, especially in diseases of children. It is agreeable to the most delicate  
stomach; which renders it a very reliable agent as a nutritive remedy in consumptive and scrofulous cases.  
Oct. 10, 1879. Yours respectfully, A. H. SAKTON, M. D., Baltimore.

Messrs. Scott & Bowne:—Gentlemen,—Within the last two months I have fairly tried Scott's Emulsion of  
Cod Liver Oil with Hypophosphites, and I candidly declare that it is the finest preparation of the kind  
that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider  
it our most reliable agent, in a perfectly agreeable and elegant form.  
December 10th, 1879. Yours truly, J. SIMONAUD, M. D., New Orleans, La.

Messrs. Scott & Bowne:—Gentlemen,—In September, 1877, my health began to fail and my physician  
pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve,  
and early in the winter I began to lose weight and rapidly grew worse. In May last I was taken with a violent  
cough, which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared,  
cough and morning, cough, night, sweat and short breath. I have taken no other medicine  
since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet  
some friends on the street who ask, "What cured you?" and I answer, "Scott's Emulsion of Cod Liver Oil."  
I had a friend who has not spoken about his recovery for six months, and he is getting better. I have him a bottle  
of the Emulsion, he has got a cough, and says it is food and medicine for him. He was given up to die  
a year ago, but he is now well and hearty. My recovery is exciting the surprise of many people, and  
I feel that I can no longer keep your valuable medicine a secret.  
January 10th, 1879. Very truly yours, H. F. SLOCUM, Lowell, Mass.

Messrs. Scott & Bowne:—Gentlemen,—I got a bottle of your Emulsion and in that time I was so prostrated, that I  
could not get up, and I was in bed for several weeks. I had a cough, and my chest was so sore, that I  
could not breathe, and I was in great pain. I have taken your Emulsion, and I feel that I can no longer  
keep your valuable medicine a secret. I have advised others to take it, and I am sure I shall entirely recover.  
I am gratefully yours, R. W. HAMILTON, M. D.
