

“MY ONLY MEDICINE”

Says Mrs. Corbett, Are “Fruit-a-tives” “They Keep Me In Perfect Health”

Mrs. ANNIE A. CORBETT

AVON, ONT., May 14th, 1913. “I have used ‘Fruit-a-tives’ for indigestion and Constipation with most excellent results, and they continue to be my only medicine. I am highly pleased with ‘Fruit-a-tives’ and am not ashamed to have the facts published to the world. When I first started, about six years ago, to use them, I took four for a dose, but I cured myself of the above troubles and gradually reduced the dose to one tablet at night. Before taking ‘Fruit-a-tives’ I took salts and other pills but the treatment was too harsh. I thought I might as well suffer from the disease as from these treatments. Finally, I saw ‘Fruit-a-tives’ advertised with a letter in which someone recommended them very highly, so I tried them. The results were more than satisfactory and I have no hesitation in recommending them to any other person. They have done me a world of good. I get satisfaction from them, and that is quite a lot.” ANNIE A. CORBETT. 50c a box, 6 for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

Because a canary which he had put in charge of his neighbor while on a journey returned unable to sing, R. Trudeau of Montreal, Que., sued the neighbor. An ornithologist explained that the bird lost its voice because it had been kept near a cage in which there was a pair of canaries and as a result of jealousy. The result ended immediately.

November brides who envy the daughter of President Wilson should remember that a multitude of wedding gifts, many of them duplicates, may become a burden forever rather than a joy. It is danced sideways altogether, and necessitates the latest creations in free motion tango dresses.

SUFFERED EVERYTHING

For Years, Restored To Health by Lydia E. Pinkham’s Vegetable Compound.

Canadian women are continually writing us such letters as the two following, which are heartfelt expressions of gratitude for restored health:

Glanford Station, Ont.—“I have taken Lydia E. Pinkham’s Vegetable Compound and never found any medicine to compare with it. I had ulcers and falling of womb and doctors did me no good. I suffered dreadfully for years until I began taking your medicine. I also recommend it for nervousness and indigestion.”—Mrs. STEPHEN J. MARTIN, Chesterville, Ontario, Canada.

Chesterville, Ont.—“I heard your medicines highly praised, and a year ago I began taking them for falling of womb and ovarian trouble. “My left side pained me all the time and just before my periods which were irregular and painful it would be worse. To sit down caused me pain and suffering and I would be so nervous some times that I could not bear to see any one or hear any one speak. Little specks would float before my eyes and I was always constipated. “I cannot say too much for Lydia E. Pinkham’s Vegetable Compound and Liver Pills, for there are no medicines like them. I have taken them and I recommend them to all women. You may publish this testimonial.”—Mrs. STEPHEN J. MARTIN, Chesterville, Ontario, Canada.

Buy this oven-tested flour

Your oven will certainly produce more bread and better bread as a result of our oven test. From each shipment of wheat delivered at our mills we take a ten-pound sample. It is ground into flour. We bake bread from this flour. If this bread is high in quality and large in quantity we use the shipment of wheat from which it came. Otherwise, we sell it.

The baking quality of flour sold under this name is therefore an exact certainty. Buy and benefit! “More Bread and Better Bread” and “Better Pastry, Too” 527
