EYEGLASS experience is gained only by years of study and practice. To be able to fit eyes with proper glasses requires a distinct knowledge—a knowledge that is possessed by very few. Besides being a graduate of two First-Class Optical Colleges, I have had nearly twenty years experience fitting all kinds of eyes. I employ only the most modern and best methods of examination, objective and subjective, shutting out the possibility of mistakes. I carry the largest stock of Spectacles, Eyeglasses and material ever brought to Newfoundland, besides having the finest machinery for grinding special lenses. No charge made for examining your eyes.
