

# THE RIGHT HOUSE, J. M. DEVINE'S, 167. Water Street, East, Where the People Go!

BUYING in this age is now almost reduced to a science. It behoves every housekeeper to squeeze as much purchasing power as possible out of her dollar. To watch and read the offerings of the storekeepers through the newspapers should be the exclusive department of one of the family circle—these are trying times with the cost of living climbing higher and higher every day. You will always find in Devine's advertisements a wealth of money-saving information—a message from bargainland, and a ray of hope for the family of scanty means. The following is of more importance to you Mrs. Housekeeper than any item in this paper. Read it first, it is a story of interest.

## Wedding Bells at Harbor Grace.

An interesting ceremony was performed in the R. C. Cathedral at 8.30 p.m., Sunday, when Miss Johnanna Farrell, daughter of James Farrell, South Side, Harbor Grace, became the bride of Mr. William O'Shea, the only son of Mr. Jeremiah O'Shea. Rev. W. P. Finn performed the ceremony, and the bride was attended by Miss Minnie Shea, sister of the groom, while the groom was supported by Mr. William Hayes. The bride was costumed in a gown of cream silk with hat and veil to match, and carried a bouquet of orange blossoms. The bridesmaid suit of brown with hat to match. Following the ceremony a wedding supper was held at the home of the groom's father where a most enjoyable time was spent. The groom's present to the bride was a gold watch and to the bridesmaid a gold stick pin.

The presents received by the bride and groom were numerous and costly which goes to show the high esteem in which Mr. and Mrs. O'Shea are held.—Com.

## NEWFOUNDLAND TOO SENDS GOOD NEWS

OF THE GREAT WORK DODD'S  
KIDNEY PILLS ARE DOING.

J. C. Green, a sufferer from Rheumatism and Lumbago for five years, finds quick relief and complete cure in Dodd's Kidney Pills.

Clam Bank Cove, Bay St. George, Nfld., Nov. 24. Newfoundland contributes its share of the splendid cures made by Dodd's Kidney Pills. There is a striking example at the place Mr. J. C. Green, a well known resident, suffered from Rheumatism and Lumbago for five years. To-day he is a well man, and does not hesitate to give Dodd's Kidney Pills all the credit for the cure.

"My trouble was caused by strain and cold," Mr. Green says, in telling his story. "And for five years I suffered from Rheumatism and Lumbago. I was always tired and nervous. My sleep was broken and unrefreshing and the pains of neuralgia added to my distress. I was in very bad shape indeed when I started to use Dodd's Kidney Pills, but they soon gave me relief. It is because I found a cure in Dodd's Kidney Pills that I recommend them to my friends."

Dodd's Kidney Pills always cure Kidney ills no matter where it is found or in what stage it is in.

## Appeal for Mt. Cashel.

We have been handed the following for publication:—

**CIRCULAR LETTER.**  
Rev. Dear Sir,—During the past year the Boys' Orphanage and Industrial Home at Mount Cashel has passed through a severe ordeal.

An outbreak of diphtheria developed in the early part of the summer, and continued for several months. Although the type of the disease was not of the severest, yet it was such as to demand the closing down of the schools and the industrial works of the boys.

Owing to the strenuous and untiring efforts of the Brothers, and their intelligent action in seconding the work of the Officers of Public Health, the disease was so far conquered that only one death occurred. The sincere thanks of the community are due to Dr. Breim, Public Health Officer, and his attendants; also to Dr. Mitchell, who gave his services gratis throughout the whole time of the prevalence of the epidemic.

The greatest loss to the Institution, financially, was the forced discontinuance of the sale of milk from their splendid herd of over twenty milch cows. This industry was one of the principal sources of income to the Institution. It can easily be imagined then what a loss both direct and indirect accrued from the stopping of this channel of income. It is also to be mentioned that at the time of the outbreak the Brothers were at work in the erection of a new building.

"The Slattery Memorial Hall." The work on this wing was so far advanced that it could not be discontinued. The prosecution of the work, besides increasing expenses, added not a little to the anxiety and mental worry of the Rev. Brother Superior, Brother Philmar.

Thanks, however, under Providence to the wise and energetic management of Brother Philmar (Mr. Ennis) the epidemic of diphtheria has been completely trampled out, and the new wing finished. It is now since some time occupied by the boys and contains a suite of dormitories unequalled in any similar institution in America.

During all this time the number of boys in the Orphanage has been regularly increasing, until they reach at the present time the number of 115. The proportionate numbers from the different Dioceses are as follows: St. John's (Archdiocese), 55 boys; Hr. Grace Diocese, 17; St. George's Diocese, 13.

Owing to all these circumstances the Brother Superior, though reluctant to accept of any assistance to meet present liabilities. We promised him that towards the end of the year we would make a general call upon the Priests of the Outport Parishes to give some assistance towards this good work. We may say that there are very few Parishes in the Archdiocese which have not their contingent of boys in the Orphanage. The same may be said of the other dioceses. We therefore request that on some Sunday between this and the end of the year a special collection be taken up at the Church doors, or, if more suitable to the circumstances of the Parishes, a house-to-house collection be made towards this object. The amounts collected may be sent either to the Chancellor's Office, at the Palace, or to the Brother Superior at Mount Cashel.

## More Water- front Larcenies.

More waterfront larcenies are occurring of late, and yesterday morning the police, Nellie N. was boarded at Goodridge's premises and \$77 stolen. A stolen boat taken from Murray & Co's wharf showed the police that there were thieves about. Other craft have been boarded recently but no cash was secured. The police are concentrating their eyes along Water Street, especially along the waterfront, and delinquents if caught will receive no quarter from them.

## \$25 in GOLD Given Away

The great "QUEEN LINIMENT COMPETITION" open to every Man, Woman and Child in Newfoundland. On the 1st of March, 1912, will be given away to the Four or more successful winners of this competition the sum of \$25.00 in Gold.

We have on exhibition in the window of our Medical Hall, Theatre Hill, a rectangular box having an inside space as follows: length, 8 inches; breadth, 4 inches; height, 3 inches. This box is filled with Antidiphtheria Pills of about the size of a pea. The competition is to guess as near as possible the number of pills contained in the box. The person guessing the exact number, or the nearest number of pills in the box, will receive for the first prize \$10.00; second prize, \$5.00; third and fourth prizes, \$2.50 each.

In the event of two or more persons guessing the same number, the amount of the prize will be proportionately divided amongst the successful winners. That rule will apply to all prize winners. Every person purchasing a bottle of our "QUEEN OF LINIMENTS," whether in the city or outport towns, and mailing us the outside green wrapper of bottle, with the number of guess, together with their name and address, will have a chance of winning the grand prize.

If outport competitors who are unable to obtain this Liniment in their town will mail us Twenty Cents in Stamps, together with number of guess, name and address in full, we will forward post paid by return mail a bottle of our "QUEEN OF LINIMENTS," but with the outside wrapper removed and retained by us, as a pledge of purchase, and a due record kept of that fact. The person forwarding us the greatest number of the outside green wrappers of bottle together with their name and address will not only receive an additional prize of \$5.00, but will have a chance of winning some other prizes as well, if they send a guessing number with each accompanying wrapper.

This competition will close on the 1st day of March, 1912, at 12 o'clock, noon. Estimates after that date and hour will not be considered.

On the same date the box will be opened by two reliable and competent judges, who will carefully count the number of pills, and make the awards to the successful competitor. "STAFFORD'S QUEEN OF LINIMENTS" is one of the most perfect and penetrating Liniments that can be purchased in Newfoundland, and it ought to be in every household. Once used always used.
