Fishermen!

This is the Jigger that catches all the fish all the time. Use an ordinary or wedge-shaped lead with two swivels and the jigger will spin like a Millar.
It's marvellous how it catches so much fish. Used exclusively in Norway. Try it.

A Wonderful Help in Keeping the Complexion Youthful and Clear.

Perhaps you wonder how so many women manage to have a complexion that is always fresh and clear, and how you can make your complexion better. Here's the secret:—

This is the Vanishing Cream that softens the skin and gives it that soft, velvety radiance that we all desire.
Nyal's Face Cream is not oily or greasy, and it is readily absorbed by the skin, vanishing without leaving any tell tale gloss on skin. The skin welcomes this pleasant, soothing, cooling cream. It makes dry, tight skin soft and pliable. It makes rough skin firm and smooth, and gradually gives to coarse rough skin a finer, more delicate texture.
