

The Rhodes Scholarships.

The Rhodes Trustees announce that the election of scholars will be resumed this year, when there will be an election for two candidates to fill up the scholarships for 1918 and 1919.

Next year the Trust again proposes to choose two candidates for 1920 and 1921, after which the annual elections will resume their normal course.

Candidates must be British subjects and unmarried. They must have passed their nineteenth birthday but must not have passed their 25th birthday, on the first of October of the year for which they are elected.

Candidates must have had two years of training at some degree-granting University or College, or a course of study accepted by the Trustees as an equivalent.

The Trust is very anxious, other things being equal, to give first consideration to men who have showed their patriotism by going on active service.

Amongst those applying there may be some who have not been able, on account of service, to get the two years of university life required by the regulations. Oxford has arranged to excuse such men from Responsions, and the Trust thinks that they should be allowed to compete.

On the other hand the local committee has been strongly urged not to select anyone who by the want of preparatory training is not fairly prepared to get good results from a course at Oxford.

Men who have not been on service will be expected to meet the University requirements.

The Scholar elected for 1918 will be expected to go into residence not later than January 1920. The one elected for 1919 will take up work in Oxford in October 1920.

Applications for the 1918 scholarship to be accompanied by ten copies of certificates and testimonials should be made to the undersigned not later than July 1st of this year.

The candidate for 1918 will be eligible if he were not more than 25 years of age on October 1st, 1917.

The date for receiving applications for the 1919 scholarship will be announced later.
