WEDDING CAKES.

STEWART'S FANCY BAKERY.

The Wedding Cake in the Marriage Ceremony occupies a central and altogether unique position and is rightly considered indispensable to the success of the function. It is peculiarly the Bride's cake, and is an object of thoughtful care and concern. It must not be only ample in quantity and of the best quality, but also from an artistic point of view, worthy the occasion.

STEWART'S FANCY BAKERY do not hesitate to claim for their Wedding Cakes a position unequalled for quality, artistic finish and good value. The materials used are the finest, and the workmanship is such as ensures complete satisfaction.

It is to be understood that no matter what size cake may be ordered the quality of the materials used is the same.

NOTICE.

TO FISHERMEN, LUMBERMEN and THE GENERAL PUBLIC:

I wish to announce that we have in our shop the only Vulcanizing Machine in Newfoundland, made for the sole purpose of vulcanizing soles and heels on rubbers and gaiters or any other part of same needing repairs. We do not do it in the old-fashioned way by cementing the rubber on. We bake the new rubber into the old and put the design on the sole the same as when it left the factory. We guarantee our work and if not satisfactory, return and we will do it over. We also sharpen Hatchets, Axes and Butchers' Knives, also Skates sharpened and attaching the rubber on. Give us a trial and be convinced. Outport work given strictest attention. Come in and see the machine working. Yours truly

UPHOLSTERING.

To the public in general, a few secrets are being told. 1. If your couch or chair is going to rack, it really has to be upholstered before you can cover it. 2. All repairs have not to be done with 3 or 4 inch nails. 3. Now is the time to have it done as we have a new staff and will guarantee good workmanship and quick delivery. 4. What is worth doing is worth doing well. Drop a card to 15 Balsam Street and we will do our best to make 1200 link up to 1814 with good work and reasonable price.
