UPHOLSTERING.

To the public in general, a few secrets about your furniture.

1. If your couch or chair is going to wrack, it really has to be upholstered before you can cover it.

2. All repairs have not to be done with 3 or 4 inch nails.

3. Now is the time to have it done as we have a new staff and will guarantee good workmanship and quick delivery.

4. What is worth doing is worth doing well.

Drop a card to 15 Balsam Street and we will do our best to make 1920 finish up to 1914 with good work and reasonable price.

WEDDING CAKES.

WEDDING CAKES.

STEWART'S FANCY BAKERY.

The Wedding Cake in the Marriage Ceremony occupies a central and altogether unique position and is rightly considered indispensable to the success of the function. It is peculiarly the Bride's Cake, and is an object of thoughtful care and concern. It must not be only ample in quantity and of the best quality, but also from an artistic point of view, worthy the occasion.

STEWART'S FANCY BAKERY do not hesitate to claim for their Wedding Cakes a position unequalled for quality, artistic finish, and good value. The materials used are the finest, and the workmanship is such as ensures complete satisfaction.

It is to be understood that no matter what size cake may be ordered the quality of the materials used is the same.
