Kelly-Springfield Tire.

This is a new one which we are informed, is a good purchase
just now.
It has had a checkered history from a High of \$164 three years
ago to \$68 in 1920, and from \$152 then to \$32 last year. It is now
around \$52 and soon expected to resume dividends which were
suspended in February, 1921.

This issue might very easily
register a ten-point advance.
We trade on margin at \$10 per Share.

A MEATY DRINK.

If you enjoy a stiff cup of tea,
one almost strong enough to sup-
port the spoon, you don't have
to empty the package to get it
when you use Blue Bird Orange
Pekoe.

It's so full bodied most people
have to cut down the quantity to
tone it to their taste. That's
what makes it economical, and
handy when you want a stronger
drink.

Upon His Honor as Minister of the Gospel
REV. W. A. THOMPSON WRITES OF DR. F. G. KINNEAR'S
HEART TABLETS.

I had heart trouble severely for fifteen years and had
doctors to treat me with no discernible effect. I had been
low that I could scarcely walk fifty steps. At night I
died with fluttering of the heart, and by no means had I
rest for that length of time. I had pains most excruciating
could not lie on my left side even for a moment. I had
boxes of your Heart Tablets and can now truthfully say
an well. I am a Minister of the Gospel and upon my
such, I believe I could not have lived had it not been for
remedy. I am, generally speaking, willing to give my
testimony, but I fully owe this or more to you as owner of
Tablets.
