FALL IMPORTATIONS!

J. CHARLESWORTH & Co.

44 YONGE-ST., TORONTO.

WE have the pleasure of informing our customers and the Trade generally that we are now in receipt of our Fall Importations, and are showing a full assortment of **NEW GOODS** in each Department.

Having taken advantage of the late depression in the Manufacturing districts, we have been enabled to secure **Cheap Lines** in almost every Class of Goods.

We would call the special attention of our friends to several large lots of **Plain and Fancy Wineys**, which we think particularly good value.

Our Stock of **Fancy Dress Goods, Shawls, Hosiery, Gloves, & Fancy Wool Goods**, will be unusually complete.

We would also mention as worthy of notice **Plain and Fancy Flannels, Blankets, Mantle Cloths and Trowelings**.

We have imported a most **Complete Stock of Staple Goods** than we have hitherto offered, and feel confident in inviting an early inspection.

Our stock will be kept assorted by weekly arrivals of New Goods during the season.

J. CHARLESWORTH & Co.

Elora Items.

Our Elora correspondent sends us the following items of news: On Saturday a child of six years of age, son of Mr. Maw, clothier, Elora, while climbing a fence fell backwards breaking its right arm about half way between the wrist and elbow. The little sufferer is progressing favourably under Dr. Savage. It is the second time this summer that this child has had the same arm broken.

There are a great many cattle on the fair ground ground this morning. But as regards quality I think they fall below the average. Buyers do not seem very anxious. The fairs held in the aspiring little towns and villages north of us are already showing their effects by lessening our attendance both in quality and quantity.

Active preparations are already being made for the Pilkington Township show to be held in this village on Thursday the 8th.

The adjourned annual meeting of the old N. R. Wellington Teachers' Association is to be held on Saturday 10th in Mr. Tait's school house, when the appointment of officers for the ensuing year takes place, and when some interesting discussions will come up.

EUROPEAN NEWS.

Madrid, Oct. 5.—The Provisional Junta has requested Marshal Serrano to take charge of affairs until the meeting of the Cortez; and he has consented so to act with Gen. Prim and Olozaga as his colleagues. The formation of the new Cabinet has not yet been completed. General Espartero, a democrat, has been placed in command of the National Guard. It is daily becoming more and more evident that the great majority of the people are in favor of a republican form of government for Spain. The Duke of Victoria and the Count of Chestre have declared that they will support the existing Provisional Junta.

Copenhagen, Oct. 6.—The King delivered a speech yesterday at the opening of the sessions of Rigdag, in which he said that the negotiation with the Prussian Government in matters of Schleswig Holstein had been thus far without result. It was the desire of the Denmark Government to preserve peaceful relations with Prussia. The ratification of the sale of St. Thomas and other islands in the West Indies to the United States has been postponed by the Rigdag for one year.

Madrid, Oct. 6.—Gen Prim arrived here yesterday. He was greeted with enthusiasm.
