At Work at Once

Yesterday morning, some time before ordinary people were abroad, a chinook swooped down upon the country. much to the surprise of all except those people who insist that a bonspiel always brings a chinook.

Before noon yesterday all manner of building was in progress. The sound of the hammer was heard in every part of the city. Stonemasons and bricklavers were at work. The streets, which have not been very crowded during the last few weeks, were crowded. Such is the effect of a few hours of a jump in the thermometer.
