For Detroit.

Kansas City, Mo., April 6.—The Detroit Tigers, under Jennings, won another game today, beating Kansas City 11 to 1, making it 19 won and one tied for the youngsters.

The Tigers gave the best exhibition of hitting seen on the trip.

Their total of hits was 14, and the drives went to all parts of the diamond.

Even the pitchers took part in the batting festivities. Browning made a single which later ripened into a run, and Pernoll in the ninth made a terrific clutch that on any ordinary fast outfield would have been good for a home run.

Detroit Twirlers Good.
With the exception of the first inning Detroit pitching was airtight. "Chief" Summers was batted for the first run, but tightened after that, retiring at the end of the second inning.

Browning followed with five innings of work, and was certainly at his best. Pernoll replaced Browning in the eighth. He fanned the entire side in this round, and held the Kansas City batsmenless in the ninth. McIntyre, Bush, Delehanty and Orake hit the ball hard.

CHICAGO WHITE SOX
TRIM THE DRUMMERS

Comiskey's Men Play Real Ball for the
First Time and Get 4 to 2 De-
cision From St. Joseph.

[Special to The Advertiser.]
St. Joseph, Mo., April 6.—The White Sox played more baseball today than they have at any time on the trip, and they walloped the St. Joseph Drummers to the tune of 4 to 2.

It was a close contest all the way, and might have ended in a tie if first baseman Clarke, of the locals, had held the ball at the plate in the seventh, when Smith and Blackburn tried a double steal, and Blackburn was caught between third and the plate. Delehanty, of the Sox, was unable to connect for any safe drives, and struck out once. Score:

St. Joseph..... 0. 0. 0. 1. 0. 0. 0. 2
White Sox..... 2. 0. 0. 0. 0. 1. 0. 4

[Special to The Advertiser.]

Nashville, Tenn., April 6.—Three triplets, three doubles and plenty of singles gave Cleveland a big score this afternoon over Nashville. Every man but Mitchell got a hit. Falkenberg, of the Sox, pitched but two hits, and the one run was scored through no fault of his. Score:

BUFFALO QUILTS.
(By Associated Press.)

Buffalo, April 6.—At a meeting of the Buffalo Road Drivers Association today, it was decided to hold a grand circuit meeting here this summer. The decision was reached, it is said, because of the financial success of last year's meeting, which was held on the Fort Erie, Ont., track.

HIGHLANDERS HAMMER
CAROLINA CHAMPIONS

Stallings' Squad Wins Easily From
Greensboro Team in Lop-Sided
Contest.

[Special to The Advertiser.]
Greensboro, N. C., April 6.—The New York Highlanders won from Greensboro, champions of the Carolina Association, by 11 to 3.

The score would have been more lopsided had the visitors so desired. Above the time the interlopers were putting the bee to the natives in ruthless fashion, Manager Stallings received news of Hal Chase's home run.

The rest of the game was a merry-making, in which generosity triumphed over ambition. Such a game as that of this afternoon would never do for any opening day attraction.

Both teams were decidedly out of form in fielding. Foster was the chief offender of the big leaguers. He simply could not refrain from foul balls. Score: R. H. E.
New York..... 11. 0. 0. 0. 0. 0. 0. 11. 12. 6

OWNER OF LOUISVILLE
CLUB IS AFTER KIRK

William Grayson Thinks Well of the
Tiger Recruit and May Try for
Him—Stroud May Stick.

[Special to The Advertiser.]
Louisville, April 6.—William Grayson, owner of the Louisville club, took a good look at Jay Kirk during the practice today, and asked some questions that indicate that he may try to land the "Pige" recruit to play second base for his club.

At present Louisville has Seifer, who was secured from Pittsburgh, but he isn't quite satisfactory.

The ownership has been trying to secure a certain National League player, but it is doubtful that this man could be waived out of the league. Grayson was particularly interested in Kirk's batting, seeming to be satisfied from what he saw that he would do in the field.

The New York State League is certain to be one of those placed elsewhere by the National League. In Kirk's batting, something on a strong club in the fastest of all the minor organizations.

What is said about Kirk's being placed somewhere is unofficial, of course, but nevertheless an assured fact. What will be done to ease the loss of Lathrop and Simmons is uncertain yet. Several pitchers will be cut loose early, with Stroud looking for a new pitcher to win a permanent position.

MACK MEN WIN
FROM PHILLIES

Athletics Tie Up Series by Another
Victory Over Their National
Rivals.

[Special to The Advertiser.]
Philadelphia, April 6.—Good hitting gave the Philadelphia Athletics a victory over their local National League rivals today by the score of 6 to 1.

It was the fourth game of the series, which began on Monday night, and each pitcher pitched five innings for the Athletics and kept the hits scattered.

Baker, of the Athletics, pitched five over the right field wall of Shibe Park. The score:
R. H. E.
Athletics..... 6. 0. 0. 0. 0. 0. 0. 6. 11. 1
Phillies..... 1. 0. 0. 0. 0. 0. 0. 1. 3. 6
Batteries—Athletics, Baker and Cheek; Phillies, Moran and Livingston. Umpires—Moran and Connolly.

SOUTHERN TIGERS
ARE SAVED AGAIN

This Time Rain and Cold Weather,
With Threats of Snow, Caused a
Postponement.

Louisville, April 6.—Tomorrow chances are that the Sunny South and the Tigers will have a game called off for snow.

Rain would have stopped them at Memphis if a train wreck hadn't beaten the elements to it.

Today's weather was the cause of a cancellation. As the mercury is rapidly dropping, and the moisture is trying to do the same thing, a combination of effort that will result in a fall of flakes may naturally be looked forward to. Evansville is the place where they will be tomorrow, and where the worst is feared.

WASHINGTON BUMPS

American Leaguers Trounce Nationals

[Special to The Advertiser.]

Washington, April 6.—Timely hitting in the seventh inning, with Bell's pitching, enabled the Washington Americans to defeat the Brooklyn Nationals in an exhibition game here today. Scamman pitched five innings for Brooklyn, and did not allow a hit. Reisinger, who was once a member of the visiting team, kept the hits well scattered. Score: R. H. E.

Toronto, April 6.—Secretary W. H. Hall, of the Montreal Club, Secretary of the C. L. A., received a communication from Strathroy, regarding the entering of a team to play in either the intermediate or junior series. Strathroy has not had a C. L. A. team for years, and their application only goes to show the advancement being made this spring.

Outside the bunch of certificates registered by the Montreal Club, Secretary Hall has received no registrations, but a flood is expected soon.

HITTING WAS VERY POOR
And But One Run of the Three Was
the Result of Clean Walloping.

[Special to The Advertiser.]
Richmond, Va., April 6.—The Giants slaughtered the Richmond Colts this afternoon, but failed to show as much class as hitters, only one of their three runs being scored on clean hitting.

The Colts failed to run in their past second game because of good pitching by Ames and Crandall, and fine fielding.

The Richmond pitchers showed McGraw's guessing in nearly every inning except the fifth, when Waymack, a wild left-hander, hit the Colts with a long one just long enough to spill the beans.

Tenney and his bunch arrived here this morning from Texas, and Bridwell was in the line-up this afternoon. Score:

New York..... 0. 0. 0. 0. 0. 0. 0. 3. 5. 0

CESS WELCH, OF CHICAGO,
OUTPOINTS DAN DUNN

Low Glowney Puts McKernan Away
While Dick Sepora Wins From
Charley Brooks.

[Special to The Advertiser.]
Detroit, April 7.—Cess Welch, of Chicago, outpointed Danny Dunn, of Rochester, N. Y., in seven of the eight rounds of their battle before the Windsor A. C. last night.

Barring the third round, when Welch was sent to the mat after coming in contact with a right on the jaw, the Chicago boy led throughout the battle, and knocked out the New Yorker was lacking.

Several times he placed his best punch, a left jab, on Welch, and he appeared to have hit the target.

The Prelims.
Low Glowney, of the Paul Sikora's stable of youngsters, sent Joe McKernan into dreamland in the third round of the scheduled semi-final fight, played with McKernan like a cat plays with a mouse before finishing it. In the third he had McKernan stand up to a mighty, and after joining him to the jaw several times, put over the finisher.

Dick Sikora, who all the way from Charley Brooks in the opener, Dick possessed a left that Brooks found difficulty in evading, but little trouble in feeling its sting.

FRANK CHANCE IS HOT
OUT AFTER PENNANT

Adds Harry McIntyre, the Trolley Dod-
gers Crack Slab Artist, to His
Retinue of Stars.

Frank Chance, leader of the Chicago Cubs, and having one of the best pitching stints in the world, has decided to strengthen it by adding Harry McIntyre, premier slapper of the Brooklyn Nationals, to his corps.

The deal for McIntyre has just been put through, and gives Helms Zimmerman, "Happy" Sim and \$4,000 in cash for the Brooklyn twirler.

The addition of McIntyre to the Cubs is one of the biggest baseball deals of the year, and means that the Chicago manager will spare no pains in his hunt for the 1910 ring.

McIntyre is a class. He is one of the best slab artists in the National circuit, though he has been handicapped in his work by being with the lowly Trolley-Dodgers, and he will greatly strengthen the Cubs.

With King back on the job, and with McIntyre to help Brown, Overall, Reulbach and Chestnut, the Cubs will be hard to stop this season. Pittsburgh will certainly have to look to her laurels.

BRITISH BOWLERS WILL
VISIT STRATFORD SOON

Alex. Faill Was Elected President,
and G. Hodgins, Vice-President,
at Annual Meeting.

[Special to The Advertiser.]
Stratford, April 6.—At a very enthusiastic meeting of the Stratford Bowling Club, the following officers were elected for the season:

President—Alex. Faill.
Vice-president—G. Hodgins.
Secretary—A. W. Deacon.
Treasurer—G. T. Faill.

It was decided not to hold a tournament this year, but rather to engage in friendly games with outside towns, inasmuch as they create a great deal more interest than club games. The local club will be favored this year by a visit from the British bowlers, which will be a feature of the season.

JOHNSON READY FOR
HIS REAL TRAINING

Big Black Is Worried by Reports
of Jim Jeffries' Excellent
Condition.

"SOUR GRAPES" HE SAYS
In Discussing Sam Fitzpatrick's Inter-
view — Negro Looks for a
Long Mill.

[Special to The Advertiser.]
Chicago, April 7.—"It's a case of sour grapes with Sam Fitzpatrick," said Jack Johnson today, in discussing the dispatch from the coast to the effect that his former manager was making Jeffries to win.

"It was a different case when I was working for Fitzpatrick. Of course now that he is no longer connected with me, he wants to get in with the natives sons by picking Jeffries."

"What Fitzpatrick or anyone else thinks of my chances against Jim Jeffries will not make one iota of difference to me. I feel that I am the better man, and I will always think so until the fight takes place. Then I will try to prove to every one that my convictions were correct."

Taking It Seriously.
Johnson is just beginning to realize the seriousness of his coming fight. Those reports of Jeffries' excellent condition, coming from the coast, seem to have stirred up the burly black fighter, and he says that from now on it will be all work and no play for him.

"It's a case of me just getting down to business," said Johnson today, just before starting for the municipal court, where he must answer charges of speeding with his auto. "I'm going to pay a great deal of attention to road work in the future. I figure that it will take more time for me to beat Jeffries, and I am preparing for a long battle."

Johnson's Camp.
Johnson has added Kid Cotton, a colored heavyweight, to his staff of sparring partners. Cotton is an excellent and interesting workout yesterday, and Jack has signed the big fellow to play the part of "old" Jack in his training camp work before the big battle. Besides this fellow Johnson will have Tommy Ryan in charge of the training camp, assisted by Joe Walcott, Monte Cutler and several others.

LABOR MEN MAY
BOYCOTT LEAFS

Unions Charge That McCaffery
Is Unfair and Trouble Will

EXCUSES WILL NOT GO
Committees Will Hold Session and
Whole Eastern Circuit May Be
Affected.

[G. N. W. Service.]
Toronto, April 6.—When the Toronto ball team comes home to play ball it may be found that a considerable proportion of the people of Toronto will refuse to attend the games.

A meeting of prominent labor men, representative of all the unions in Toronto, was held today at the Labor Temple at which it was decided to institute a boycott against the Toronto baseball club and the Tecumseh lacrosse club, and other interests controlled by Mr. L. J. Soliman and Mr. J. J. McCaffery.

The men state that these interests have been absolutely unfair to organized labor in all works of construction. Moreover, the fact that Mr. McCaffery runs a hon-orary hotel is not conducive to cordial relations.

Boycott Maple Leafs.
The labor men say that in the past they interviewed Mr. McCaffery and Mr. Soliman on the subject of recognizing the claims of organized labor, but have been put off with excuses.

A committee of all the trades will call around the National League circuit. In President Lynch's orders to umpires at yesterday's meeting in New York the new league executive told the umpires to bar the photographers from the field during the games.

The 4 to 1 victory of the Sox regulars over Dick Cooley's Topekas was the first errorless game of the year for Duffy's men, and naturally, Hugh was pleased.

Schirmer, who is to be a member of the Peoria Three I. League team this year, worked for the Sox Yankins against Denver, and was bumped good and plenty. The Grizzlies won by a score of 8 to 6. Schirmer walked five, gave nine hits, including one homerun and three doubles.

Royal Shaw said good-bye to his pals on the Sox Yankins and left last night for Fyisco, where he will play third base for the Seals this year.

Bill Burns will join the White Sox at Kansas City Sunday if he awakens in time to catch a train. Bill, according to Pat Dougherty, who reported yesterday, is in fine shape.

John C. Kling expects to pry him self loose from that \$700, so that he may be in good standing by Friday.

Now that Rube Waddell is married again he says the happy part of his life has been reached. Mrs. Rube can add to her enjoyment by arranging to collect the pitcher's salary on pay days.

Higginbotham started out to make good his threat to wallopp the Cubs by setting down the first nine men who faced him.

Pitcher Hank Weaver was really and actually left behind when the team left Louisville. President Grayson of the Colonels took him on Murphy's terms and gives the Cubs the right to re-

on Mr. Soliman and Mr. McCaffery, and if an adjustment is not reached a boycott will be proceeded with.

The plans for this boycott have, as yet, not been fully settled on, but they may include a boycott of the entire Eastern League circuit, in the order that the team plays at the different places. This would be secured by co-operation with the labor men in the cities on the circuit, who would be asked to stay away from the games, in the same way that the labor men here will be asked to stay away from local games.

EAST END LEAGUE WILL
BE ORGANIZED MONDAY

Derbys May Go to the City League and
Oriente After the Vacancy—
Army Medical Corps Let In.

The organization of the East End Baseball League was again postponed last evening at the meeting held in the Rambler Club rooms, as the Derbys, who won the pennant last season, have decided to apply for a berth in the City League.

They will be given an answer from the Tecumseh Park organization on Saturday, and if they go into City League the Oriente are looking for their position in the East End organization.

The Army Medical Corps has been admitted to the East End League, together with Wortman & Wards, and the Ravens.

The season will open on the last Saturday of April, and the Zwicker trophy, which is played annually, and a new trophy donated by Mr. John Young, will be up for competition.

Trainer Buckner has asked Manager Duffy for permission to hopple Zeider. "Buck" says that boy is too eager to get back into the game, and wants him fixed so he can't abuse his injured ankles.
