The New Model E

The picture is an illustration of our new "Artists" Model Corset, which is a model cleverly designed for all figures and for all occasions, holding the flesh very snug and straight from the waist down, and is extremely long, yet the boning is short enough not to cause discomfort to the wearer. The bust is low in front and medium under arm and across back. Cut with sufficient fullness to hold the flesh without crowding, and still retain its graceful lines. The merits of the "Artists'" Model Corsets are well known to every woman who has ever worn them, and when once worn no other corset can replace them with the woman whose aim is to be correctly corseted, which is an absolute necessity if you desire to be properly gowned. Our new "Artists" Model, style E. meets every requirement of modern dress and is designed to suit all figures. Mail orders promptly filled. Price \$5.00
