HE FEELS BETTER NOW THAN IN YEARS

Although a Young Man Dumphy Felt Like An Old One, But Is Feeling Fine Since Taking Tanlac.

"Few of the ill that flesh is heir to are so distressing or so unfit a man for his daily work as chronic indigestion. Among the many thousands of testimonials received which prove that Tanlac is particularly successful as a remedy for this complaint, is that of Charles Dumphy, who resides at 88 Simon's street, St. John, N. B. Mr. Dumphy is a carpenter who has lived in St. John for many years and is well known to a large circle of friends in his district. This is what he has to say concerning his own experience with Tanlac.

"Chronic indigestion has been my trouble. It started a little over three years ago. If I eat anything like fat meat or cake it used to upset me. Then as I got worse all my food used to disagree with me and my stomach used to sour horribly after every meal. The gas would form so that my stomach would feel as tight as a drum and I used to gasp for breath. This feeling was very bad at night and I often woke with a feeling that I was being smothered. Then I would have to get up and take something like soda to try and get the gas off my chest. Often I sat up for hours unable to get relief. I got so at last that I was afraid to eat anything at all because of the way I used to suffer afterwards. I guess I tried every known treatment for indigestion, but none of them gave me more than temporary relief. I'm still a comparatively young man, but I tell you I was feeling like an old one.

"One day a paragraph in the paper caught my eye. It was the statement of a man who had suffered just as I had, and who got wonderful help from Tanlac. I went straight and bought a bottle. Well, sir, I'm here to say that Tanlac did more for me than anything else I ever tried. It seemed to settle my stomach right away. I soon found that my food agreed with me and that I could eat almost anything without having to suffer from it afterwards. I've taken four bottles in all and I'm feeling better today than I have for years. Life is worth living now, and so long as I can obtain Tanlac I shall not fear the indigestion or any other trouble. TANLAC is sold in Campbellton by THOMAS WRAN, Druggist, in Jacques River, by S. McALLISTER; and in Archibald Settlement, by M. SMEARER, also in Chandler by ALTHUR NADEAU.

A TROPHY OF HIS TRIP.
On a recent business trip to the North Shore, E. R. Armstrong, who has made no claim to being an angler of salmon, was successful in landing a beautiful twenty-four pound Restigouche fish. He succeeded in hooking the fish in a short time but after he was hooked the colonel had a good fight of one hour and a quarter's duration before the prize was landed. —Telegraph

WARMLY GREETED.
Mr. L. T. Jourdre, a former well-known resident of Moncton, but who for some years has made his headquarters in Campbellton, was in town yesterday. Mr. Jourdre somewhat surprised his many friends here by introducing to them a life partner whom he was fortunate enough to secure in Woodstock. The marriage took place quietly some weeks ago and Mr. and Mrs. Jourdre are now enroute to their home in Campbellton. The Transcript joins in extending congratulations.—Moncton Transcript.
