We are sorry that "the enormous industrial development a gentleman of Mr. Dickie's years did awaiting his native land, especially not make sure of his grounds before

Wontenegrins Want Scutari

HE problem that worries more than anything else the people of the former kingdom of Montenegro-now a eral province of Jugo-Slavia—is t of Scutari, writes the Cettinje respondent of the London Post. in the least—does not reach, is but lukewarm in the matter, at they gaze down at the coveted the

the the wise were fighting each other with their wisdom, fools were looking after their own business."

in plain words, they are litching lay hands on Scutari, and only the esence of the Serbian troops has therto prevented them from doing

the beginnings have been made by the

During the last few weeks demonance in the last few weeks demonance have taken place all over cardinary. At two of them the day in each case was market day. The easiers from the neighborhood are cardinary as table from an adjacent card, mounts it and begins to harringue the crowd.

Speaker follows speaker; all take the same tale. Scutari is ours, for reasons historical, ethnological, motional, geographical, economical, it is ours because the memories and badditions of the ages sanctify it to as. The home of our early kings, the appanage of their eldest sons. We lost it, indeed, to the Turk, but the Turk failed to make it his own. The home of our early kings, the appanage of their eldest sons. We lost it, indeed, to the Turk, but the Turk failed to make it his own. The third failed to make it his own. The third failed to make it his own. The failed to make and that the first steps are being taken to make our water powers play their part in our industrial development. Quite as significant as his optimistic predictions of industrial development was Lord Beaverbrook's

ornests about the Hon. Mr. LaBillois is time he took some action to bring them to account.

If the charges they made are committed a serious offense act only against the whole community.

The configuration of the third them of them or people are convinced that the darges are true.

If the charges the whole community.

The configuration of them or people are convinced that the darges are true.

If the charges are true.

If the charges the whole community.

The configuration of the third them or people are convinced that the darges are true.

If seems too bad that the Town of LaBillois pats of taking the more people are convinced that the charges are true.

Another unfortunate outcome of his lack of action is that, another story is being circulated and is finding many who believe it. It is whispered and the whisper comes from the best of sources, that Hon. Mr. LaBillois are the day should resident the matter, so large a sum of mony have studied, but when the Union committee med Mr. LaBillois to finally settle matter, so large a sum of mony was requested by that gentleman that the least pony, inclined the control of the matter, so large a sum of mony was requested by that gentleman that the last prompilion election. In fact it was all but settled, but when the Union committee med Mr. LaBillois to finally settle matter, so large a sum of mony was requested by that gentleman that the last prompilion election. In fact it was all but settled, but when the Union committee med Mr. LaBillois to finally settle matter, so large a sum of mony was requested by that gentleman that the professory was respected by that gentleman that has the story, we give it for what it is worth, but hope it is not true.

The Graphic has a slawys been in settling this matter.

NOT CORRECT.

The Graphic has a slawys been considered the matter, largely day the rich solution in the story was represented by that gentleman that has configured to the configuration of the last pony, we give it for what it is worth, but they give it for what it is wor

pleased if he can through the proper channels clear his good name of the charges contained in a signed article published is our columns.

But action must not be further delayed.

of our issue of Oct. 7th the letter was handed in to the Graphic but we made it clear to the young gentleman who brought it that at the late date it would be impossible for us to get it in the current issue. He. informed explained.

Praise!

Little Gerald was visibly perturbed a fellow mean when he says you're a warm baby, son," he equal to the occasion. "He simply means you're a warm baby, son," he explained.
