HE WAS FROM DUNDAS.

Particulars of the Death of E. W. Robin WAYNE, Mich., Aug. 18.—The name of the young man killed here Wednesday night by the Michigan Central train appears to be E. W. Robinson of Dundas, Ont. A diary found on the body showed where he had been and how he had lived since leaving home. He had an insurance policy in his pocket, issued by a Canadian company, which states on its face that if he died within 20 years from issue it would be worth \$971. From letters found on his person it would seem that he had got out of funds, had written home for money and they had told him to stay where he was until they could get it to him. He had evidently started for home. Justice Cady has telegraphed to the persons whose names are on the letters, but as yet has received no reply. son At, Wayne, Mich.

COLEMAN V. TORONTO.

The Plaintiff's Request for a Writ of Sequestration Denied.

"We have a Mayor whose whole efforts are directed to saving himself," was the statement made by Mr. Boultbee, counsel for Mr. Charles Coleman in his suit against the city in the Ashbride Bay matter. This now famous case of Coleman v. Toronto came up before Justice Rose in Osgoode Hall yesterday morning. The plaintiff contended that the work of purification of the bay was not going on as rapidly as it might. Mr. Caswell, for the city, showed that the work was progressing with all reasonable despatch. The judge decided to let the matter stand for a week. The plaintiffs are asking for a writ of sequestration.

Penetanguishene.

The Penetanguishene Hotel continues in full, swing. Fishing parties are the rage and are participated in by the ladies, one of whom recently landed the bass of the season, while the tennis players and bowlers have taken advantage of the lawn to exhibit their skill, in which latter the ladies take no small paft, ably championed by one of Ontario's learned judges.

The weather has been delightful and the only regret expressed is that the time for returning home is drawing near.

One of the most pleasing events of the season were the tableaux got up by the ladies for charitable purposes on Saturday evening last, which were pronounced a great success. Among those who took part were the Misses Rose, McMurray, Buck, Smart, Harman, Ferguson and Macdonald, ably assisted by Dr. Henwood and Douglas McMurray. A number of scenes were represented, of which the following deserve special men-

on:
The King and the Beggar Maid.
The Gipsy Camp.
The World, etc.

Where are you Going, My Pretty Maid?

There was another angier represented in full piscatorial costume, which brought down the house. You ask me his name. Come, now, that's not fair; no names. He would be certain to be angry and complain, and then you would say he was the growler of the party. So I shail let him go scot-free.

By the kind permission of the warden, Mr. McCosson, the Reformatory Band played several pretty selections during the evening. After the entertainment refreshments were provided and the evening was wound up with a jolly dance.

Provincial Board of Health.

The Provincial Board of Health.

The Provincial Board of Health officers held their quarterly meeting yesterday in the Parliament buildings, Dr. J. Cassidy was appointed Chairman. There were present: Drs. McDonald, Bryce, Kitchen, Rae and Vaux. Reports were received from Grosse Isle respecting smallpox on steamer Montavidean and from Reading, Penn. to the effect that during the two weeks ending Aug. I there were upwards of 40 cases reported, making a total of 184 cases were reported. A communication imparting the information that a Provincial Board of Health headquarters at Hallfax, was read. An epistle was also filed from Michigan regarding the application of the Minneapois and the Sault Ste. Marie Railway Co., against the State Board of Michigan, asking that an injunction be granted restraining the Board of Health from stopping passengers or enforcing quarantine. Serious Charge Against Bank Officials.

New York, Aug. 18.—The failure of the Commercial Bank in Brooklyn is beginning to assume a serious appearance. A question as to the criminal liability of President Seth L. Keeney and the directors and officers of the bank has been raised by some of those who placed their money on deposit in the institution the day before the suspension was announced. The foundation for this charge against President Keeney and his associates is the allegation that deposits were received by the bank after the institution was known to be insolvent.

Severe Abscess Cured.

DEAR SIRS,—I had an abscess just behind my right ear in August, 1891. After suffering for three months I began to take B.B.B., and after one month's use of it I was very much better, and the abscess entirely disappeared in four months. I am certain that Burdock Blood Bitters is an excellent remedy.
