**Farewell Gathering in Honor of Mr. and Mrs. F. E. Livingstone**  
 (Dundurn, Sask., Enterprise)

The Wascana Hotel was the scene of an affair on Thursday night which took the form of a dinner and farewell gathering in honor of Mr. and Mrs. F. E. Livingstone, who left on Tuesday to take up residence in Watford, Ont. At nine o'clock the guests sat down at the long banquet table which was loaded with eatables provided by Host Wilson. The Reeve, (A. E. Hokanson) presiding.

After due justice had been done to the good things mentioned, an address was read as follows:

May 10, 1917.

To Mr. Francis Emerson Livingstone and Mrs. Livingstone.

Dear Friends,

It is naturally with feeling of regret that we are assembled here to-night on the eve of your leaving Dundurn, a departure occasioned by the health of Mr. Livingstone, the latter a matter in which he has the sympathy of all his friends.

We are desirous of conveying to you, Mr. Livingstone, a measure of the sense of appreciation possessed by us, of work well done, truly placed energy and public spiritedness, which you have con-

sistently shown during the past 10 1/2 years you have been resident with us. Your work in connection with the Rural Municipality of Dundurn, No. 314, from the early days of the former Local Improvement District to the days of the present systematized municipality procedure has been invaluable to the ratepayers of that rural municipal authority. Other offices that you have held with credit to yourself are those of Secretary to the Urban Municipality of the Village of Dundurn, and the Dundurn S. D. No. 344, and in mentioning the latter it must be a pleasure to you to see the handsome school building recently erected in town where our children can receive instruction along lines that are up-to-date and in keeping with the progressive spirit of the times.

As a professional man you have shown that you are capable and have a thorough grasp of modern business methods. The town of Dundurn has several residences and places of business built through your efforts, which are standing monuments of your foresightedness and faith in the future of the place, which has been for so long your western home. Your wife has been the helpful partner of your joys, your sorrows and your successes, and of her it can be said that she has shown the same spirit of energy in connection with your own work and that of any church, social or other matters with which she has been connected.

In conclusion, Mr. Livingstone it is hoped by all present tonight on behalf of your many Dundurn friends that the change of scene and climate may be the means of entirely restoring you to your old health and strength and after you have enjoyed a well earned rest you will be enabled to once more enter the field of business, where again, we trust, successes will be yours.

As a token of our esteem and regard we ask you both to accept this cabinet of Community Plate as a remembrance from your friends resident in this community.

Reeve Hokanson then formally made the presentation, adding his own personal testimony to the valuable service rendered the district by Mr. Livingstone in both his public and private capacity. He referred to Mr. Livingstone's long connection with town as a druggist and predicted that the town in the East where he decides to locate would obtain a valuable citizen. Mr. Livingstone responded in feeling terms, thanked the donors for their beautiful gift and asked all to give him a call if at any time they were within 100 miles of his future home. The successful affair concluded with farewell wishes to the guests of honor and all present parted with mutual good feeling and regret.

**LITTLE WORRIES IN THE HOME**

These Bring the Wrinkles and Pallid Faces That Make Women Look Prematurely Old

Almost every woman at the head of a home meets daily many little worries in her household affairs. The care of her little ones, the work about the house all contribute to these worries. Most of them may be too small to notice an hour afterwards, but they constitute a constant strain that affects the blood and the nerves and make women look prematurely old. The effect of these little worries may be noticed in sick or nervous headaches, fickle appetite, tiredness after slight exertion, and the coming of wrinkles which every woman dreads. To these thus afflicted Dr. Williams' Pink Pills offer a speedy cure; a restoration of color to the cheeks, brightness to the eye, a hearty appetite and a sense of freedom from weariness. Among the many thousands of Canadian women who have found new health and strength through these pills is Mrs. G. Strasser, Acton, West, Ont., who says:—"I am the mother of three children and after each birth I became terribly run down. I had weak, thin, blood, always felt tired, and unable to do my household work. After the birth of my third child I seemed to be worse, and was badly run down. I found the greatest benefit from the Pills and soon gained my old strength. Indeed after taking them I felt as well as in my girlhood, and could take pleasure in my work. I also used Baby's Own Tablets for my little ones and have found them a splendid medicine for childhood ailments.

Dr. Williams' Pink Pills are sold by all dealers in medicine, or you can procure them by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Lyle Bennett the Bridgen boy convicted of stealing from his majesty's mail, was sentenced at Sarnia on Saturday to three months' imprisonment in Kingston penitentiary.
