failure to pay the fine imposed. Also, Arthur Sims was recently incarcerated under a warrant issued upon a conviction secured against him in 1922. I have investigated all matters to which my attention has been called, and besides, have worked independently in cases where I had reasons to believe that searches should be made. On the 4th of January instant, I proceeded to Springfield and searched premises but without securing anything sufficient for the purposes of prosecution. Herewith produced is my general account totalling \$172.34 with itemized accounts annexed thereto. ELIAS MESSINGER. Dated Jan. 7th, 1924.

Treat Sore Throat With Vicks

Follow the Example of This Nova Scotia Lady.

Mrs. F. S. Myra, of Bridgewater, Nova Scotia, writes: "I am delighted to let you know of the good Vicks VapoRub has done me. A few weeks ago I had a very bad sore throat. I happened to have a sample of Vicks in the house, so I used it, and it did my throat so much good that I bought a bottle from my druggist. I cannot praise Vicks VapoRub too highly." Treat one cold with Vicks VapoRub and you will adopt this external treatment for all the cold troubles of the family. Vicks is a salve that acts like a plaster and a vapor lamp at the same time. It is absorbed and inhaled. When the children come in wet and shivering, apply Vicks liberally over throat and chest, and cover with a warm flannel cloth. Treated at bedtime, the child is usually better next morning and all the bad after-effects of internal dosing are avoided. Croup attacks are kept away, too. At all drug stores, 50c a jar. For a free test size package, write Vicks Chemical Co., 344 St. Paul St., W. Montreal, P. Q. Though Vicks is new in Canada, it has a remarkable sale in the States. Over 17 million jars used yearly.

The King vs. Ezekiel Marsman:— Magistrate's fees \$ 1.75 Constable's fees 70 Witnesses' fees 70 Amount \$ 2.45 Conviction, warrant of commitment issued—he has left the county. Elias Messinger, Inspector for Enforcing the N. S. Temp. Act, in account with Hiram R. McKay, Stip. Magistrate. 1923: Dec. 12th— The King vs. Roosevelt Joseph: Magistrate's fees \$ 2.25 Constable's fees 70 Amount \$ 2.95 Conviction, and imprisonment in default of paying fine and costs.

REPORT OF ANAPOLIS COUNTY FARMERS' ASSOCIATION

To the Warden and Councillors of the Municipality of Annapolis Co., Gentlemen:—I beg to report that the twentieth annual meeting of the Annapolis County Farmers' Association was held in the Demonstration Building, Lawrence town, on the 4th day of January, 1924, R. L. Moore presiding. The President's excellent address was read and adopted. The Secretary reported that owing to unfavorable weather last February and March the usual short course was not held. That on the 29th of August a very pleasant and successful Auto Picnic was held on the Experimental Farm at Kentville—nearly 200 farmers, their wives and children were present, to view the plant so efficiently managed by Prof. W. S. Blair. We also enjoyed excellent addresses by Dr. Patterson, Acadia's President; Hon. D. A. Cameron, Prov. Sec., and Dr. Cumming, Secy. of Agriculture. On Sept. 6th—a special meeting of the Association was called to discuss the resolutions referring to the proposed Agricultural Course of four weeks and also that of the Federal Grant for a renewal of the amount of 1914. On Sept. 11th—Hon. Wm. Motherwell, Minister of Agriculture, addressed a meeting in the Demonstration Building which was fairly well attended, owing to the short time allowed for advertising of meeting. We presented him with the Federal resolutions made at Sept. 6th meeting. Also gave him financial statement of the Association which he promised his careful consideration. He was accompanied by L. J. Lovett, M.P., who gave a short speech. Copies of the resolutions mentioned above were forwarded to several Cabinet Ministers. We are now hoping they will be approved by Parliament. Copies of the resolutions referring to the proposed short course were sent to Hon. D. A. Cameron, Hon. O. T. Daniels, M.P.P., and Frank Elliott, M.P.P., and received their approval. Since then the Executive Committee have been engaged in securing the names of applicants for the short course which will commence about February 12th and continue for four weeks. Provision has been made for the expense of the course. No tuition fee is required of the students attending. The Financial Statement shows that the Receipts for the year were \$94.12. Expenditures \$59.51. Balance in hand \$34.61. Officers for the ensuing year are: President—J. Stuart Marshall, Vice-Pres.—H. Parker Munroe, 2nd Vice-Pres.—F. A. Chipman, Sec.—Treas.—L. W. Elliott, Auditor—E. C. Shaffner. L. W. ELLIOTT, Secy.-Treasurer, Clarence N. S. (To be continued.)

Local Happenings

All changes of copy for ads. MUST be in by 12 noon on Mondays each week. The service in St. Mary's Church, Belleisle, next Sunday afternoon, will commence at 2 o'clock instead of 3 o'clock, and be followed by the annual meeting of the Congregation. Why is it necessary that the water for making tea should be freshly boiled? Because if it has been boiling for a great length of time water loses its aeration and becomes flat. The best tea—MORSE'S SELECTED ORANGE PEKOE—must, in order to secure the best flavor, be brewed in water that has just come to the boil. See the directions on the package. Mr. Bartlett Banks, Upper Granville, is the owner of a hen which a couple of days ago laid an egg of which the measurements were 6 1/2 inches by 7 3/4 inches. This is believed to hold recent local records. We are in receipt of pansy blossoms in full bloom picked on January 20th by Mr. David Shipp of Dalhousie. These, so far as known, hold the record. The Concert to have been held on Monday evening next in the Recreation Hall of the County Institutions has been postponed till Thursday evening, January 31st. A very nice programme has been arranged. The Young Adams Company played to good houses here on Friday and Saturday evenings of last week and also gave a matinee performance on Saturday afternoon. The specialties which included Highland dancing by the McMillans, Juggling by Mr. Thos. Redway and Champion Paper Tearing, were excellent. "Dora Dean" and "Spooks" were the plays presented and the audience enjoyed the performances thoroughly. Copies of the Bridgetown High School Review can still be obtained at Charles Longmire's book store. We believe there are many people in town who would like to secure one or more copies for themselves or to send away to friends. On Monday evening next the University Extension Course of lectures opens, the first being delivered in the Baptist Sunday School room by Prof. H. F. Munro, who holds the chair of Government and Political Science in Dalhousie University. His subject will be "British Empire Imperial Conference." Professor Munro will treat the subject in a most interesting and profitable manner. Present weather conditions favor ice making and the Carnival tonight is expected to be a most decided success. Opening has been placed at 8.30 so that all who are so minded may attend prayer meeting and still not miss any of the Carnival. There will be general skating from 9.30 on but previous to that only skaters in costume will be allowed on the ice. The first hockey match with an outside team takes place on Friday night when Middleton's best cross sticks with Bridgetown's most expert exponents. The game takes place in the rink here and promises to be a fast keen contest. The cold snap which occurred Monday night and continued put joy into the hearts of fuel dealers, rink managers and those who want to see the swamps frozen up in the woods to render operations there more satisfactory. The temperature, while not so very low, was decidedly frigid after the unusually mild weather so far.

Never mind the business outlook. Be on the lookout for business. As a rule the boss does not pick men for advancement from the bunch of "Wind Jammers" who stand out in front waiting until the last minute to go in for work. Montreal is said to have more churches to the square mile than any other spot on earth. When the supply of Hos gets low we can always fall back on movie stars' salaries.

OBITUARY James A. Myers. James A. Myers, aged 68 years, of Eastern Passage, died on Sunday. His illness extended over a period of some nine months, although he was able to about the house during much of that time. He was sitting in a chair when he passed away. The late Mr. Myers was a quiet and unassuming man who always had a kind word to speak about everybody. When construction work was in progress at McNab's Island, he worked there at mason and general construction work for more than a quarter of a century. Later he worked at the Acadia Refinery. Surviving, besides his wife, are six sons; William, County Councillor for the Eastern Passage district; John, Supt. of the Annapolis County Homes; James, Eastern Passage; Alfred, Woodside; both working at the Acadia Refinery; Herbert W., general merchant, Woodside road; Parker, in business at Eastern Passage, also one
