As the Proprietor of these Nurseries is supplying and packing the ONTARIO APPLE for the Fruit Growers' Association, an offer is now made to all members desirous of having the following valuable new fruits packed with the Ontario Apple, and freight pre-paid, viz:

THE THREE NEW AND VALUABLE APPLES,

ARNOLD'S BEAUTY, ELLA, and DORA, for \$1.00,

Or 1 plant each of Diadem and Hybrid No. 7, and 2 plants of Mr. Saunders' Hybrid Raspberry, for \$1.00.

The members enclosing the \$2 extra to me for the above named fruits will be supplied with (6) six plants of either of my valuable Seedling Strawberries, No. 3, 4, 8, or 23.

I have no hesitation in saying that these new fruits are all superior in some respects to anything ever before sent out.
