**3-BAND LONG-TONGUED RED-CLOVER ITALIAN QUEENS**

For Sale.—My long-tongued Goldenes are proving themselves to be the bee to clean Foul Brood. This is why I have such a large trade in Canada. Mr. E. L. Cox, of Jesup, Iowa, introduced 50 of my 3-band queens in Foul-Broody colonies in 1912; and he said the disease was cleaned up where each of those queens was put. They gathered such a

large crop of honey in 1912 that he bought 50 more in 1913.

One Untested, 75c; 6, \$4.00; 12, \$7.49; 25, \$13.50; 50, \$25.00.

Double the above for tested queens. Bees by the pound: One lb., \$2.00; 2 lbs., \$4.00. One frame nucleus, \$2.00; 2 frame, \$3.00; 3 frame, \$4.00. To all the above packages add the price of queen. I will begin to send out queens in April.

Refusively no checks will be accepted. Send money by P. O. Money Orders. All queens arriving dead will be replaced if cage is returned by return mail.
