The "PEERLESS" LEG BAND

Made of Aluminum.

Is Bright.

Stays Bright.

This Band is light, neat and durable. It is easily put on, and it "stays on" SURE. To put Band on, place it around the fowl's leg. Press it together. Then take the small locking piece with slot in it and slip it over the parts of the Band that project outward. Then turn locking pieces so that slot runs in the same direction as the Band, i. e., horizontally. Then bend down backwards the two projecting pieces, flat with the rest of the Band. The Band is then on "to stay." This is extremely important, for it is most provoking to have a lot of birds scored and a week later find half the Bands off. To have the birds scored again costs money. The "Peerless" stays on. It CAN'T come off. PRICE, post paid, 30 cents per dozen. State breed and sex when ordering.
