DIAMOND SPECTACLES.

These Spectacles are manufactured from "MINUTE CRYSTAL PRISMALS" melted together, and are called "DIAMOND" on account of their hardness and brilliancy. It is well known that spectacles cut from Brazilian or Scotch pebbles are very injurious to the eye, because of their polarizing light. Having been tested with the polariscope, the diamond lenses have been found to admit fifteen per cent. less heated rays than any other pebble. They are ground with great scientific accuracy, are free from chromatic aberrations, and produce a brightness and distinctness of vision not before attained in spectacles. MANUFACTURED BY THE SPENCER-OPTICAL MAN'FG CO., NEW YORK. For sale by responsible agents in every city in the Union. No peddlers employed. The great demand for these spectacles has induced unscrupulous dealers to palm off an inferior and spurious article for the "Diamond." Great care should be taken to see that the trade-mark (which is protected by American Letters Patent) is stamped on every pair.

The Church Journal AND GOSPEL MESSENGER

Is published every Thursday morning, at 783 Broadway, New York City. TERMS OF SUBSCRIPTION. Per annum (52 numbers), in all cases in advance, \$3 20, postage prepaid.

Clergymen and Candidates for Orders, \$2.20, postage prepaid, strictly in advance. As those who avail themselves of this offer receive the paper at less than cost, it must be distinctly understood that they will exert their influence to extend its circulation. Single copies, 10 cents. Persons ordering extra copies, will be furnished with any number above ten, by giving us notice in advance, at the trade rate—7 cents each.

The figures on the labels having the subscribers' names, indicate the number of the paper at which their year expires. In giving notice of change of address, subscribers should be particular to give both the old and new address.

SPECIAL REQUEST TO SUBSCRIBERS AND ADVERTISERS.—In making remittances for subscriptions, etc., always procure a draft on New York, or a Postoffice Money Order, if possible. When neither of these can be procured, send the money, but always in a CROSS CHECK letter. Persons sending cash otherwise than in a registered letter, do so at their own risk. Hereafter all remittances for subscriptions will be promptly acknowledged by receipt or postal card, as we frequently find it impossible to correct the figures on the tags the same week that the money is received.

The postage on THE CHURCH JOURNAL is twenty cents a year, payable in advance at the office of mailing, and must be remitted in all cases with the price of subscription. Subscribers desiring to discontinue, are particularly requested to send a written notice to that effect, addressed to the office of publication before the subscription expires.

RATES OF ADVERTISING. Transient advertisements must be invariably prepaid. No notice whatever will be taken of Obituary, Marriage or Special Notices, or other transient matter, unless accompanied with the amount necessary to pay for its insertion. Acknowledgments, Compilatory Resolutions, Obituaries, and all matters of purely local or personal interest, will be inserted only at the rate of 15 cents per line—eight words to the line. All other advertisements, 20 cents per line. Special notices, under the head of Business Department, 25 cents per line. A fair discount on all contracts for three months or more.
